JANUARY 1

Ricky & Karen Sanchez
Multiply - Thailand
sierrasanchez@hotmail.com

We are still in N. America, traveling to our supporting churches, visiting supporters and sharing about ministry in Thailand. Please pray for our support levels/prayer support to increase, we are grateful to everyone who partners with us! Please pray for us as we head back to Thailand in January with no children for the first time. All our girls are in university/working now, we know this will be an adjustment, but we trust God to sustain us. Please pray for Taay, Peace and Plai, some of our Thai team at ALH, as well as Gideon, Fone and Joon, some of our Thai church planters, for wisdom and creative ways to minister the gospel. Pray for 'Josh' and Pet as they graduate from Bible College next month, for jobs in the ministry. Pray for 12 men and women college basketball players to be raised up to do missions with us this summer.

JANUARY 2

Gene & Grace Fox
Int'l Messengers - BC
grace@gracefox.com

We continue to hear positive feedback about our conference in Turkey in November. Our Eastern European staff met their Middle Eastern co-workers for the first time, and fellowship was sweet. Many say they'd never felt so loved. Others say this conference fed their souls so they could return to their ministry refreshed. Our next staff conference is scheduled for Poland in March. We don't know whether or not will actually happen, but we'll buy airline tickets in faith. We're to fly to Iowa January 16-22 for an annual IM leadership retreat. Please pray for God's sovereignty over these plans. Mission Central will be held via Zoom on January 28-30. It's definitely not as effective as an in-person conference. Please pray for God-connections to be made.

JANUARY 3

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

I will be heading back to Niger on January 7. I have enjoyed my time at home immensely and am so grateful for those I was able to see. In November, my grandmother passed away, she was 101. I'm so glad that I was home and able to celebrate her life with my family. When we returned home from the funeral, we discovered that our basement was flooding due to the big storms/flooding in BC. Thankfully, we caught it early and were able to start pumping water right away. Please pray for my parents as they deal with clean-up and rebuilding. Please keep Sahel in your prayers as they continue to raise support for the school relocation. If you would like to give to this project visit: <https://www.sim.ca/sahel-academy-relocation-project/>

JANUARY 4

Warren & Dorothy Janzen
SEND Int'l - Abbotsford
wjanzen@send.org

SEND is launching this year with a 40 day focus on prayer. Our workers are committing to pray at least one hour each day for God's Kingdom to come and His will to be done in us, and through us among those who are beyond the reach of any local church. Join us in praying that these 40 days are going to draw us deeper into relationship with Jesus, and release powerful expressions of His love and grace and peace among those with whom we are working. Thanks so much for your prayers!

JANUARY 5

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

I'm so thankful for the completion / significant moving ahead of some key projects. All along the way I've sensed God going ahead of me in each! One that is on-going is a project called "LifeShare" which brings older and younger (experienced and newer) people together so the younger person can be encouraged and supported in ministry. (Obviously the older person will benefit from this relationship as well.) I'm realizing it isn't easy to find older/experienced people who will say yes to this open door. Please pray for the Lord's provision of a small army of experienced people who will say yes to this.

JANUARY 6

Andrew & Karlee
Himalayas

Hello CHC Family,

As Andrew and I have been busy preparing for this upcoming DTS, I have also been managing our guest house as some of our team members are away for furlough. It has been lots of emails & meeting with students over zoom and in person. But we are encouraged as we have 25 students registered and more every day as we are almost 1 month from starting. The first week of December we were able to finally go to church for the first time since our April lockdown. God is moving powerfully in the Himalayan region and we are so blessed to be here for such a time as this.

JANUARY 7

Wendy Eros
Multiply - Japan
wendyeros@gmail.com

With Christmas season almost over, pray for the ESL students and that the true meaning of Christmas was shared in ways that they would understand and want to know more. Please pray for me as Japan has closed its borders once again and it looks like it may be summer before I can return. Starting in April I will begin online zoom classes for the ESL students as the current teacher will be done at the end of March. Please pray this will work out well. Please also continue to pray for those who have been affected by the flooding in Abbotsford: pray that the water would subside completely so people can start rebuilding. May God bless you and your families this Christmas season.

JANUARY 8

Dave & Rushia Klassen
P2C (AIA) - Langley
davek@athletesinaction.com

The first few weeks of December were extremely busy. The end of one season (Lions), and the end of an era (Canucks), as the team released its head coach and GM. Please pray:

1. Lions - meeting with players and coaches after a disappointing year.
2. Canucks - ministering to the coaches (Travis and Nolan) and the GM (Jim) as they adjust and move forward after their release. For their families as they prepare to uproot.
3. Canucks - working with the players as they adjust to new roles and rhythms.
4. Canucks - favour as I meet and get introduced to the new management team.

JANUARY 9

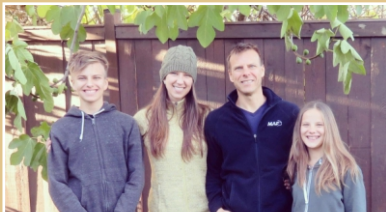

Brent & Jody Nesbitt
P2C - Langley
brent.nesbitt@powertochange.org

Praise the Lord for the successful launch of the credit card reconciliation app I have been working on for the past year.

I am now working on in international donations app with the rest of our developers. This is the first project that we have worked on as a team (4 people), so pray that we would develop the skills that are required when working together, sharing code, and using different development styles. It's something I've wanted to do for quite awhile, as we end up learning a lot from one another during this process.

Pray also for our new building construction, as we have not yet hired all of the trades that will be required, and the demand right now in Abbotsford is quite high. I expect to see some of the walls standing by the time you read this!

JANUARY 10

Chris & Julene Uganecz
MAF - Indonesia
cuganecz@maf.org

Chris has begun training on MAF's amphibious plane, which means he'll be landing on both runways and rivers! What a gift this is since our earlier days with MAF were on Borneo where Chris flew floatplanes and built the floating hangar! Being able to use the floatplane here will enable our MAF Merauke team to be better supported, since currently, only one family serves there. Julene is living her dream of teaching nationals. Her position is as an English instructor at PHLI (Papua Hope Language Institute), helping prepare Papuan high school graduates for university studies. Thank you for your prayers for us to be faithful and fruitful, growing closer to Jesus and each other each day. Thank you too for praying for our kids: Tehya (19), Paeton (17), and Makenna (13).

JANUARY 11

James & Carolanne Warkentin
P2C (Truth Media) - Langley
james.warkentin@p2c.com

Life this past year has been turbulent with fires in the summer, flooding in the fall, Covid strains, Vaccine Passes and lockdowns. Thank you for remembering to pray for us in the midst of all the noise. I pray that we all, as followers of Jesus, would show the love of Christ to a lost and confused world through our lives, the love we show each other and the opportunities we are given to share of the hope and peace we have in Jesus.

Please pray for the online mentors who are most often the front-line of our ministry. Pray for the partnerships we form with other evangelistic groups. Pray for funding and for additional members to join our team. Thank you! We wish you a peaceful and joyful New Year.

JANUARY 12

Stan & Annamaria Goertzen
TEAM - Italy
goertzens@gmail.com

This month looks to be the month of decision for us as we consider what God has for us in terms of future ministry. We are waiting to hear from TEAM Canada regarding possible ministry we could carry out from here in Abbotsford. Please pray for God's clear leading and guiding. Stan has also applied for a learning cohort on spiritual direction, a way to accompany others in a way that invites them to pause and attend to the presence and work of God in their lives. We are so grateful for your prayer, support and encouragement over this past year.

JANUARY 13

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

Normally I would avoid writing about political issues, but Ukraine is in real need of our prayers at this time. Russian troops are once again amassing on Ukraine's eastern borders. Speculation points to a possible attack in early 2022. God is the only answer to Ukraine's plight. I have prayed that God would protect Ukraine like He has protected Israel. Wikipedia states that "During its long history, Jerusalem has been attacked 52 times, captured and recaptured 44 times, besieged 23 times, and destroyed twice." Although (hopefully) less dire in Ukraine, the future for its people is uncertain. We live and serve in western Ukraine, literally as far as possible from the Russian border. God is totally in control. We do not sense any direct or imminent danger in our region.

JANUARY 14

Cynthia Friesen
Multiply - Thailand
kainos.warrior@gmail.com

Happy New Year, we are excited about all that God has for us in this new year. Last year was filled with so many challenges but in the midst of it all we saw incredible miracles. Thai friends who prayed to receive Christ was and always is the most beautiful of all miracles. Pray for restrictions on schools, churches and the Juvenile Detention Centre to be lifted. Pray for all those who were impacted from our Christmas outreaches, that they will continue to see God's provision and experience God's presence. With a new year comes new beginnings, new vision, new hope and great expectation of all that God wants to do in and through us. We continue to be so grateful for your love, support and partnership with us and Thailand.

JANUARY 15

Mike & Karen Woodard
P2C (FamilyLife) - Langley
mike@familylifecanada.com

We've witnessed many miracles over the years, here's one from the conference in November. The husband shared, "It looked like we weren't going to make it. We had our rings off at this time, hopeful that we could find our way back before our 10th anniversary." Before the conference, his wife was listening to the radio: "I heard the ad, but this was the busiest weekend of my year, it seemed impossible... Well, we trusted in a God who laughs at the impossible." But who would watch their two young children? "A friend stepped up. It all worked out, and we started communicating. Now we have tools, language, and discussion points... We have hope. No longer will we be roommates, co-parenting. We are re-establishing a new foundation. This conference saved our marriage and God did what we could not do in our strength."

JANUARY 16

Trever & Joan Godard
Multiply - BC
trevergodard@gmail.com

Pray for our MB conference churches in Mexico (8) as they continue to struggle with Covid restrictions and some leadership conflict in responding to it. They need wisdom to show love, bring peace, hope and Jesus to a toxic, conflictive, and somewhat rigid structure. May they be led by the Spirit to see and take advantage of new opportunities instead of being blinded by obstacles and frustration. Joan and I continue to appreciate your prayers in our Multiply roles (Member Care and Missional Leader Training).

JANUARY 17

Richard & Becky Szmuto
P2C Films - Langley
richard.szmuto@p2c.com

Continue to pray for P2C films as we pick up on a number of projects that were stalled due to Covid, in some cases, the wait was good as we gained greater perspective for our upcoming projects. Also it would be terrific if we could find a few more full time people to join our team. We feel that we are often working beyond capacity and we sometimes have to turn down projects or delay them because we don't have the personnel to carry them through. We would like to see that change and the best way is to have people join us. Thanks again to Central Heights church for the prayers and support throughout 2021!

JANUARY 18

Greg & Becky Ouellette
Multiply - Abbotsford
grego@multiply.net

A new year. Have you ever asked God for a scripture or a song or a word for the year ahead? A number of our staff and missionaries practice this. So I joined in. What a great practice! I encourage you to take some time today or this week to give this a try. And just because the year has started already does not mean it's too late. Every time I have asked, he has given. God enjoys giving good gifts to his children. The beautiful thing about God gifts is that they seem to have "layers" of unwrapping and discovery. That ought to pique your curiosity. Enjoy! Happy New Year.
