MONTHLY PRAYER CALENDAR

of Central Heights Church Missionaries

JANUARY 2023

JAN 1

Richard & Becky Szmuto
P2C Films - Langley
richard.szmuto@p2c.com

Pray for P2C films as we are without a home for the next few months, our current studio is not operable and we will not move into our new location until early next year. However, we see this as an opportunity for creativity and resourcefulness and we anticipate a number of projects that will be ideal for our current situation.

Thank you for your prayers.

In the IT department, we have found some relief recently as our project load had been very high due to a goal of completing several projects before the fiscal year end in June, and one large project (our budgeting system) has just been delayed until next year. Pray for those working on our CRM replacement project, which has been prioritized above the budget project for the immediate future. That project has been facing some unanticipated difficulties, and is behind schedule.

From my point-of-view, this reorganization frees me up to complete the account-transfer app that had been started and then put on the back-burner (several times, in fact), but is highly desired by many of the staff. Pray that I am able to complete this app by the end of January.

Our building move to Abbotsford is scheduled for the last weekend of January. Please pray that our occupancy permit is received with plenty of time to spare.

The transition of Coastal Missions' assets to International Messengers is complete. The ministry is now called Coastal Light and is directed by Catherine Buschhaus. Please pray for God to bring her at least seven teammates with a passion and calling for ministry to remote communities on our coast. We will attend our annual IM leadership retreat and board meetings in Iowa January 12-21. Please pray for travel safety and for God to accomplish His purposes in our lives. Missions Fest (former name) will happen in person from January 27-29. Please pray that we'll make good contacts that will come to our evangelistic family camps overseas this summer. We're desperate for office help. IM cannot grow further without it. Please pray for God to bring us the right person.

December we had outreaches and gospel presentations in Buddhist villages with no churches yet. Pray for the fruit of these events to be many hearts turning to Jesus and weekly Bible study groups starting in this new year. We are facing many spiritual battles here but we continue to proclaim victory and know that the enemy is scared because we are sharing that the Light of the world is coming to shine in the darkness. Thank you for your continued prayers and support. We are so grateful.

Electricity in our city is being rationed quite severely, even though we have not suffered any direct enemy attacks. We went for a drive one evening to get a feel of what's happening and it honestly seemed kind of apocalyptic. Our mayor is suspected to be selling electricity to Hungary. Not long ago, Hungary's prime minister was seen at a prominent political event wearing a scarf. On the scarf was a picture of the map of Hungary, but this map also included our region of Ukraine which borders Hungary. There has been speculation for some time that Hungary's leader has eyes on this part of Ukraine with the intention to take it over. We're healthy and those that we know are also healthy and safe. Thank you for your prayers.

Praise God with us for 'Rim', age 17, one of the boys from ALH who got baptized last month! Pray for Pastor Knot who is discipling him and for Rim as he prays about attending Bible College after high school. Please pray for the grandmother and older brother, Nam and Den, age 78 and 55, of one of our House Mom's at ALH, who are open to the Gospel for the first time in 20 years! Pray for them as they attend church this month for the first time. Pray for the 6 Christmas outreaches we have planned, that many would give their lives to Christ. Pray for continued healing from HIV/AIDS for many of our community here.

Happy New Year church family! At the beginning of January, we will have our annual SIM conference in Niger. I'm looking forward to being encouraged during the sessions and to seeing some people that I don't get to see very often. Thanks for praying for my Christmas break. It was a good time to rest and recuperate from the end of the semester (I came down with a cold in the last week of school). In January I am welcoming two new students to my class. Please pray for them as they settle in and that my class would be welcoming to them. In this half of the school year, I am going to be starting my big research project for my Master's. Please pray for me as I plan.

2023 begins with us focused on two new ministry areas: unreached peoples in Georgia and the unreached deaf in Vietnam. Please join us in praying for more workers, open doors, and creative engagement as we bring both the hope and healing found only in Jesus to these people so far beyond the reach of any local church.

It is the beautiful Christmas season, and we will be celebrating our 9th Christmas in this Papuan home. By the time you read this, Christmas will be past, and 2023 will be upon us. What has all transpired over the past 9 Christmases here? Well, the first Christmas, Tehya was in Grade 7 and Paeton was in Grade 5. Now they are both "adulthood" in Canada. Makenna, who was in Grade 1, is now in highschool, and is an "only child" here in our abode. There's a song that I am listening to today: Build A House, by Megan Tibbits. I just love the melody, but may these words encourage you as you reflect on His great gift and begin the new year: *I want to build a house that's sturdy and unshaken / But first I gotta tear down what I thought that I could make it / 'Cause the walls could no longer hold the weight of all you want to put inside / So I gotta tear it down 'cause I want to build a house / We are His temple. / And as we celebrate His coming to dwell among us, may we unlearn our old natures and be built into the new life, the house that He dwells within. / A place where you want to stay ... / A place where I stop taking up all the space ... / A place you can redecorate ... / A place that where you will say / Well done*

There will be many milestones throughout 2023. A big milestone in January is the final Vancouver MissionsFest/MissionCentral event. Pray that God will accomplish all He desires through the conversations around the mission displays and in the general meetings. Thank the Lord for all He has done and will continue to do through MissionsFest/MissionCentral. Pray for His wisdom and provision as Mission Central continues with this vision in new forms.

January will be filled with opportunities related to my new role as the staff care director for Power to Change. I will be hosting the new staff training and evaluating the effectiveness of the onboarding process of new staff and the training related to ministry partner development. We will also launch a Soul Care course for 50 of the P2C staff. Pray for wisdom and eyes to see what God desires to do in our lives and the lives of the P2C staff we serve. Thank you for your partnership with us!

This coming spring break, Becky & I will be assisting another couple lead an MEI team of 11 students to northern Thailand to serve several Khmu church planters, pastors and evangelists. January & February will be focused months of preparation, prayer, team building, and training. Join us in praying for the transformative work of the Holy Spirit in our team. That we would be a team that is full of the love of God for each other and for others. Pray for faith to be stirred and matured. Pray that this team would be a blessing & encouragement to our Khmu brothers & sisters as they seek to bring the good news of Jesus to new communities.

At the time of writing this, it looks like there will be a new couple joining Multiply in January. Pray for them as they begin training this month to prepare to live & make disciples long-term in another culture. More on that in a future update! Thank you for praying.
