FEBRUARY 1

Dave & Rushia Klassen
P2C (AIA) - Langley
davek@athletesinaction.com

During the 1999 Rams' Super Bowl victory, Kurt Warner was named the game's MVP and in front of 60,000 fans Mike Tirico from ABC sports asked: "Kurt, first things first — tell me about the final touchdown pass to Isaac." Kurt: "Well, first things first, I've got to thank my Lord and Saviour up above - thank you, Jesus!" The global audience from August to September for the summer Olympics - 3 BILLION. Grey Cup Football Game - Over 2.9 million. Canucks on any given night - Over 700,000. I can't help but be excited that the area we are ministering in is still popular, relevant, highly participated in and has a worldwide reach. Please pray for Rushia and me as we step out in faith leading AIA and minister to the Vancouver and Abbotsford Canucks and BC Lions. Please continue to pray that together this year we will reach more sport influencers and a world for Christ.

FEBRUARY 2

Warren & Dorothy Janzen
SEND Int'l - Abbotsford
wjanzen@send.org

This month I (Warren) am scheduled to speak at a Reaching Japan for Christ conference in the Seattle area. Please pray that we'll be able to meet despite pandemic restrictions and that our time together would translate into more meaningful witness to diaspora Japanese in North America. Thanks for your prayers!

FEBRUARY 3

Ricky & Karen Sanchez
Multiply - Thailand
sierrasanchez@hotmail.com

God was glorified during Christmas with ALL of our MB churches in Thailand doing multiple outreaches and seeing hundreds of first-time confessions of faith in Jesus! Pray for each believer to bond with their local church and be disciplined in the Word of God and power of the Holy Spirit. Please pray for one of our older ALH youth, 'Mic', who is sick in hospital with a life-threatening infection. The Lord called him to ministry when he was in high school, and we ask God to save him. Please pray for Taay, our leader at the orphanage, for rest as she carries many heavy burdens. Pray for her husband, Big, at Bible school. Pray for us as we head back to Thailand soon as empty nesters.

FEBRUARY 4

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

I'm thankful for a new year and for all that God did during 2021. I've watched workers experience God's grace to stand still and continue waiting for doors to reopen. I've watched other workers experience God's grace for major transition brought on because of the unrelenting nature of Covid. God's grace is always sufficient! The LifeShare project I've been working on for SIM International, brings people together across generations so that each generation can be encouraged by the other. Please pray that those who would benefit through being involved in this project would hear about it, and make the decision to get involved. Please pray for God's fingerprints to be on this as it slowly gets started. Thank you!

FEBRUARY 5

Wendy Eros
Multiply - Japan
wendyeros@gmail.com

I pray you and your families had a good Christmas and New Year's break. Things continue to be 'on hold' for Japan at the present time. Hattori sensei and I are in contact and once he has the new visa papers I need, he will send them so I can apply for my 3 year Religious Activities Visa at the Vancouver Embassy. We are still looking at starting online ESL classes in April, so please pray this will work out well. I have gone to part-time at the Multiply Office (Wednesday-Friday) and on Mondays & Tuesdays I will be working on my Partnership Development. I'm presently at 72% of my budget and need to reach 100% before I return to Japan. Thank you for your prayers, support and encouragement.

FEBRUARY 6

Gene & Grace Fox
Int'l Messengers - BC
grace@gracefox.com

The IM board will vote this month on whether or not to accept a marine ministry's application to join our staff. Pray for every board member to be sensitive to the Spirit's leading on this. The Polish IM pastor with whom we partner for our summer camps suffered a heart attack recently. Please pray for his complete recovery and for clarity as he seeks God's direction for his ministry. His name is Czarek. Our Egyptian staff are hosting a discipleship camp this month. Please pray for the Holy Spirit to go deep in each participant's life. Grace has to travel to North Carolina from the 9th-16th for a bookseller's convention. Pray for hassle-free travel and for divine appointments with retailers and other authors at the event.

FEBRUARY 7

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

Greetings from sunny Niger! I had such a wonderful time being home with you all for these past few months. Thank you to all of you who sent me words of encouragement. For the last half of this school year, I am going to be teaching grade 5 math and spelling and working as a resource teacher in the elementary. Sahel completed their big move during the Christmas break. We bought the secondary building and are currently in a rent to own type of situation for the elementary building. But we are enjoying being all at the same property once again. Please keep Sahel in your prayers as they continue to raise support for the final purchase. If you would like to give to this project visit: www.sim.ca/sahel-academy-relocation-project/

FEBRUARY 8

Brent & Jody Nesbitt
P2C - Langley
brent.nesbitt@powertochange.org

Pray for our family to adjust to one child at home, the other overseas.
Pray for excellent teamwork in our latest collaborative programming project.
Pray for God's blessing on our new building construction, and on the neighbourhood surrounding it.

FEBRUARY 9

James & Carolanne Warkentin
P2C (Truth Media) - Langley
james.warkentin@p2c.com

Thank you for continuing to pray for our family and ministry. Please pray that He would use our efforts for His own glory and that He would make us even more effective in reaching the lost.

In 2021 our ministry saw over 79,000 people get connected to an online mentor. We also heard from over 1400 people who decided to follow Jesus! Please pray for the online mentors who serve with us using the tmm.io system to respond to these mentoring requests. These mentors serve as the front-line in our ministry. They walk alongside people who come to us for advice and help, guiding them closer to Jesus.

Please pray for our core team as well as we continue looking for more opportunities to reach our world with the love of Christ.

FEBRUARY 10

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

We ask that you continue to pray for Ukraine. At the time of this writing, little has happened that would suggest any progress is being made in efforts to de-escalate the situation. To this point, it has been mostly an exchange of warnings and threats, accusations and denials, between Russia and the United States. While the collective West hopes for diplomacy, Russia continues to move troops and military equipment to Ukraine's border. By the time you read this, we may very well all have a good idea of what is going to happen next – whatever that might mean for Ukraine and its people. God knows what is best. He has a plan. Only He is mighty to save. Our prayer is for His perfect will to be done.

FEBRUARY 11

Andrew & Karlee
Himalayas

We have a location for our Discipleship Training School and we are grateful! About 45 students from all over the world arrive by January 16th and we couldn't be more excited to run our first DTS since Covid. One of our students from the Middle East is a new believer and has arrived early. He is the only believer in his family. Fellow students at his College back home found out that he became a believer and took it upon themselves to tell his family. Knowing full well the threats that would ensue once his family knew he decided to come to DTS early. Keep us all in your prayers as many people in recent months have been blacklisted here for our "work."

FEBRUARY 12

Trevor & Joan Godard
Multiply - BC
trevorgodard@gmail.com

The Matthew Training Center program for making disciples for the nations begins its 11th season in early Feb.

There are 9 students registered so far. Pray for wisdom for the staff as they have to make many crucial decisions regarding applications, budget, program, topics, mission trips, discipleship pairings, etc. MTC is also hosting the training for pastors/leaders to teach a Bible School curriculum to lay people. This will also happen in early Feb. There are over 100 people taking these courses in the various MB churches in Mexico. At the same time as this training, our MB conference of Churches will have their annual assembly at MTC - pray for the Holy Spirit to lead the meeting and transition of leaders and national council.

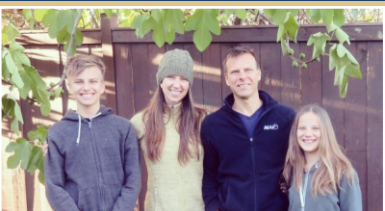

FEBRUARY 13

Rob & Judy Griffioen
GNI - Canada
robandjudy2thai@gmail.com

With the omicron variant raging and a number of sudden changes affecting travel to Thailand, Judy and I have postponed our flights until April. We dearly want to go to serve our national leaders, encourage them and do further ministry development there; but God has clearly shown us to wait. On the home front, Judy has struggled with piercing headaches and difficulty in swallowing for the past couple of weeks, so it could have been a challenge to travel now anyway. She is under good medical care and our doctors are chasing it down. It appears to be a new aspect of her neurological condition (CRPS). Pray that God restores Judy's health and clears the way for us to serve as hoped in Thailand. "You will keep in perfect peace those whose minds are steadfast, because they trust in you" (Isaiah 26:3).

FEBRUARY 14

Chris & Julene Uganecz
MAF - Indonesia
cuganecz@maf.org

Honoring my (Julene's) Oma, Erika Janzen/Toews, as she is now with Jesus -- free! She was an amazing grandmother and support to me and our family.

Here in Papua, Chris is completing amphib plane training and Julene is beginning a new semester instructing English at PHLI.

FEBRUARY 15

Stan & Annamaria Goertzen
TEAM - Italy
goertzens@gmail.com

We are so grateful for the opportunity to be with Stan's mom during this season of her life and ask that you pray that God would sustain her physically, mentally and spiritually and that we would be an encouragement to her. We continue to ask for prayer for God's leading regarding our future ministry and that we would accept whatever it is that he has for us. Pray that we would be a blessing.

FEBRUARY 16

Mike & Karen Woodard
P2C (FamilyLife) - Langley
mike@familylifecanada.com

Yesterday we helped host a 3 hour workshop for local church leaders on the topic of Developing a Marriage Ministry in your Local Church. We had about 30 participants representing 9 churches. Mainly from BC and Ontario but even a participant from Barbados. This was very satisfying because this workshop started as an idea in the spring, was developed with a team of FamilyLife staff and now has been launched to help local leaders bring help and hope to marriages and families! Some of the content was shaped from our involvement in the marriage ministry at CH! Thank you for being such a wonderful community for us to enjoy and serve!

FEBRUARY 17

Art & Eleanore Klassen
Pioneers - Abbotsford
art.klassen@telus.net

The following is a letter we received from another country this past Christmas. *"Our dear Grandpa and Grandma, Hope you are doing well. We miss you very much. We are thankful for your love on us, and I miss the times going to church with you and then go to Wendy's and then going to your house for some ice cream. It was a seeking time for me, and I am blessed to meet you and have that relaxing and loving time together. Oh, when I think back, how wonderful it is! She concluded the letter with 2 Corinthians 4:5 And also said, 'I hope my 2022 will be closer to our Lord, who gives me competence, not by my worldly search."* Only eternity will reveal the many students who received Bibles and other material and how the Word of God spoke to them. We hope to meet some of the hundreds of students we talked to over the years. It has been a wonderful journey for us to meet so many and share the Good News!

FEBRUARY 19

Richard & Becky Szmuto
P2C Films - Langley
richard.szmuto@p2c.com

Continue to pray for us at P2C films as we prepare for a number of large projects that were on delay the past year and now we feel that we are at a place where we can move ahead. Pray that we will be wise and practical in our preparations and that we will also be provided resources (funding and personnel) to achieve our project goals.
