MONTHLY PRAYER CALENDAR

of Central Heights Church Missionaries

FEBRUARY 2023

FEB 1

Warren & Dorothy Janzen

SEND Int'l - Abbotsford
wjanzen@send.org

Please continue to pray for an end to the war in Ukraine. Pray for SEND as we continue to bring help and hope especially to churches and believers who are suffering in this crisis. Pray also for SEND as we consider how to bring the gospel to new people groups who have little or no access to the gospel, who have no local church that is able to connect with them. We've identified many possibilities – pray for discernment as we figure out where God wants us to join with His work. Pray the LORD of the harvest to send more workers!

Praise God for all the outreaches and opportunities to go caroling to new communities to share the love of Jesus! The teens at ALH formed a worship band thanks to some of the local pastors, and then helped out many small, rural churches who don't have worship teams to do their Christmas outreaches. Other nights they went with their local churches to carol, give out rice and pray over people in slums. Our church, Zion Church, had a large group of villagers show up to hear the gospel and get prayer. Please pray for Pastor Gideon and Pastor Fon as they follow up on these new believers. Pray for the pastor of one outreach where over 800 people attended and listened to the good news story of Jesus. Please pray for Fern and Gob, 2 new house moms at ALH, and for Deer and Sanook as they explore faith in Jesus.

SIM - Abbotsford

I'm grateful for the assurance of God's Presence and Care as I look ahead to 2023.

In mid-December, a recently retired South African SIM missionary was murdered on her family farm in South Africa. I know many of the team members from my years in South Africa, so have offered to travel to South Africa, if it would be helpful for the SIM SA team. I don't know yet if I will be traveling. Please pray for the Lord's direction, timing, and provision if this is His plan.

Praise the Lord for how well the ESL class Christmas parties went. Students dressed up as people from the Nativity story, which helped them to understand better the birth of Jesus.

Pray for a new kid's ministry that is connecting kids from Parliament

Community Church in Saskatoon with some of my ESL kids through letter writing. Pray long-term friendships will develop from this. Please pray for me as I prepare to start a home Bible study group in April. Pray for the 5 students that God placed on my heart 2 years ago, and that they will be open to attending and studying the Bible.

Power To Change - Langley

A trip to Benin, West Africa will fill the first two weeks of February. Through my work with Cycling 4 Water funds have been raised for over 100 wells. It will be so satisfying to see the work first hand. One other cyclist and I will join 9 others to visit villages where wells have been drilled and also visit churches that have been planted through the efforts of Global Aid Network. February will also be a significant milestone for Power to Change with the move from Langley to the new headquarters in Abbotsford.

Thank you for your prayers and partnership with us!!

For Katya and her eight-year-old son Georgie, it's difficult to imagine what Christmas must have been like. Katya works in a local bank managed by one of Inga's students. She is dealing with lung cancer and has recently been told that there are numerous spots on her lungs. Together with people from a weekly English club I attend as well as a few of Inga's friends, we decided to collect money and grant young Georgie's Christmas wish list. His mom Katya gave us a copy of the letter he had written. We don't know this family well, but they are on our hearts as festivities fade. We understand that without God's intervention of healing, this may have been the last Christmas Georgie and his mom were able to spend together.

Our move to our new Headquarters in Abbotsford has been delayed until mid-February, but that time is rapidly approaching. Our specific role in the building move is to move our servers and get them working in the new building (last weekend of January), ensure all the technology (such as wifi and printers) are working correctly (before staff arrive), and then to help individual staff with any difficulties getting set-up. Please pray specifically for our server move, as it could be quite involved and prone to problems. Joseph was not accepted into the UFV nursing program this semester, however he was allowed to take 1 of the nursing courses - which is unusual, and will end up reducing his load when he does eventually get into the program. I think this is an answer to an unspoken prayer, as Joseph was a bit fearful of the full nursing course load, and has been struggling with lack of energy lately. Meanwhile, he is also taking a couple of Bible courses at CBC, and working at Bethesda 2 days per week. Anilee is applying for scholarships, and preparing to graduate from grade 12 in May.

Thank you, Central Heights, for your faithful support and prayers for us!

We are back to work after Christmas break.

This week, Chris will be flying the amphib plane into a remote location where two missionary families serve.

The semester is just beginning at PHLI; please be praying for Julene in her roles there.

We ask prayer for wisdom and joy, as well as protection from the enemy's schemes.

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

Thanks for praying for our return to school time. I ended up with only one new student and she was just returning from a home assignment so she was very familiar with our school and with my class and has fit in well. It's crazy to think that we are halfway through the year and our 100th Day of School is February 3. Some other exciting news, we have officially purchased our school property! Thank you for praying for us in this endeavor. Now that we own the property, we no longer need to pay rent and can focus instead on renovation projects to make it feel more like a school. Thank you for continuing to pray for me as I teach and work on my Master's, your faithfulness in this has been a huge encouragement.

A few years ago we made a video of an online mentor who was connected to a teen homeless girl who was pregnant and had no hope. We interviewed the mentor and it was a fairly powerful video of how no matter your circumstance, you can influence other's lives through online mentoring. Just last week we heard that this young lady happened to see the video, recognized the story and now reached out to us to make a sequel to the original video. Currently we are at the beginning of making plans to film this soon and pray that we make a video that not only inspires people to become online mentors but to also showcase how faith and God's goodness makes all the difference.
