We are quickly approaching tour season. We are so excited to continue our partnership with the AIA ministries in the Indian Ocean islands. We are excited to be sending tour teams back to Mauritius and Madagascar this year. Pray that God would do significant work both within the team that is travelling, and those that they connect with in the countries that receive them. Pray that God would provide for the financial needs of the trip, and also pray that during these trips that God would raise up the staff and volunteers needed to continue the work and grow it when we are gone. Also, pray for the financial needs of our global missions team. Travelling is a significant cost so pray that God continues to provide for those needs. Lastly, please pray for our partners in Mauritius and Madagascar. They have small teams and huge amounts of work to do. Pray that God energizes, brings workers to share the load, and gives them inspiration to speak what is needed to the athletes they are connected with. Thank you all!

The ground is tough and there is so little evidence that the good news has sunken in. Please ask the Lord to continue to soften the hearts of the people and open their eyes to the gift of salvation.

We ask that he would bring those who are thirsty but afraid to himself like Nicodemus.

Lord your will be done here.

Praise God, this week we were able to lead 2 women to Christ. Pray for Kai Mook, aged 32 and Yay Lek, aged 70, as they walk with Christ in their new life now. We also had a healing of another lady, her leg was completely in pain for 2 months, and God healed her immediately in our prayer time! Pray for our church community to walk in greater faith after this miracle! Please pray for Ram, aged 17, he is headed to Bible College in 2 months, and is experiencing a great spiritual battle. Please pray for our new cell group in a new village, for growth protection from the dogs and monkeys there.

Power To Change - Abb.

As staff care director for P2C, I have the opportunity to contribute to various elements of the ministry. I have engaged in a review of HR policies, shaped some leadership development initiatives and helped lead elements of our national prayer focus. Providing confidential space for ongoing conversations with staff facing a variety of challenges in ministry, is also part of my portfolio!

Thank you for blessing us with your prayers and financial support so that we can be a blessing!

Praise the Lord for the opportunities of sharing God's love with the students and choir members. Please pray for the students in March as we celebrate Easter. Pray for them to understand the power of the Cross and that they will open their hearts to inviting Jesus in. Please pray for a prayer team coming March 19-27 from Parliament Community Church, Regina. Pray for them to have an impact on the churches and areas where we walk and pray around the communities. Praise the Lord for the movie times at the 2 churches I serve with and the impact the movies are having on the students. Thank you so much for partnering with my ministries in Japan! I'm so grateful for your prayers and encouragement.

CANUCKS - This year we have had a tremendous year of team chapels, one on ones and couples studies with both Abbotsford and Vancouver. Please continue to pray as we serve the teams and for Faith Night March 16th with the Abbotsford Canucks.

FAMILY LIFE – Rushia and I will speak at two conferences this year in Penticton (April) and Niagara on the Lake (March). We sure could use some prayer as we prepare 4 new talks this season.

The Mission Fests in Winnipeg and Vancouver went well. Pray that the people who expressed interest in volunteering at our evangelistic family camps will follow through and apply.

Pray for Gene's energy level as he attends the IM staff conference in Poland. He will fly there on March 11 and return on the 20th. Grace will be in Prince George supporting our daughter again from March 8 through the 21st.

Praise God for helping Grace complete the video teachings for Names of God: Living Unafraid, scheduled for release on July 9. Pray for her to hear the Holy Spirit's voice and follow His lead as she begins writing the second book in the Names of God series. Start date is March 22nd.

Warren & Dorothy Janzen

SEND Int'l - Abbotsford
wjanzen@send.org

This month I (Warren) will be going on a survey trip to Spain. SEND wants to launch a new ministry to Muslims in Spain and so a team of us are going to connect with potential partners and talk with local leaders. Pray that the research we are doing before and the conversations we have there will inform our discernment process of determining where, with whom, and how to bring the gospel to the many Muslims now living in Spain.

Thank you for your prayers. Please pray for Anilee who has spent the last 5 months away from home with YWAM, in Hawaii and the Himalayas. Pray for her transition back to Canada, to a new job, and her decision about where God is leading her next. Pray that God would work through her as she re-engages with her friendships in Canada. Please pray also for the launch of our new Budgeting system (at P2C) which goes live this month. Praise the Lord - Jody has accepted a permanent position with Bethesda. It is a few more hours than she would have liked, but at the moment that works fine for us. Joseph is finishing his 2nd semester nursing midterms as I write this. He is applying himself and doing well, but misses the free time and extra money that university demands.

Hello Central Heights family! We had some wonderful cool weather throughout January and February which was a real blessing as we approach hot season in April/May. Thank you for praying for the returning students at school.

I have three new students in my class which brings our total to 12. These three students attended Sahel last year so they aren't new to the school, they were just delayed in their return due to the coup. I am very proud of how my class has welcomed these three students back and helped them learn the routines of our classroom. Please continue to pray for a resolution to the coup and for endurance as we approach hot season and the unknown of power cuts.

MAR 19

James & Carolanne Warkentin
P2C (Digital Strategies) - Abb.
james.warkentin@p2c.com

Thank you for your prayer for us as we continue in ministry with Power to Change. This past January we were excited to see 152 people decide to follow Jesus through one-on-one conversations with mentors and on our evangelistic websites. Furthermore, 4008 people were connected with a mentor through tmm.io and 9 new mentors were trained to begin responding to these people with love, seeking to lead them closer to Jesus. Please pray for our mentors as every day they are responding to hundreds of people coming to us for help, support and prayer. Pray also for the people to whom the mentors are ministering, that they would experience Jesus love and draw closer to Him. And pray for our ministry team as we continue training mentors, building resources to connect with seekers, and developing tools for more effective ministry.

Hadime (Making Disciples in Mexico training program with the Matthew Training Center) has started their new training for 2024 with 9 students from 7 different nations. We ask for the Lord's guidance and wisdom to use methods that would be culturally and generationally sensitive to these students, and that the Spirit of God would transform their hearts and minds to be deep followers of Jesus for the nations.

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

I'm so thankful for the many quality conversations I was able to have while visiting cross-cultural workers in Asia. In March I will spend a few days in Alberta connecting with college students and churches. Please pray for God's directing in each contact. Thank you for praying for me!

MAR 22

A&K
Himalayas

Our family is growing and we plan to welcome baby #2 this August in Kathmandu Nepal! We are now in Delhi India helping our friends pioneer their first discipleship school before returning home to Nepal in May. We are seeing our students lives changed and hearts renewed with power of the Gospel. They are being trained and equipped to be carriers of the message of Jesus to their respective towns and villages. Thankful for your prayers!

Richard & Becky Szmuto
P2C Films - Abbotsford
richard.szmuto@p2c.com

We are involved in an exciting project, a documentary that also is a tribute to Frank Thoutenhoofd, who has had a tremendous impact on the spiritual and the basketball community in Abbotsford and beyond. Many of you know Frank and Ruth and their contributions to Central Heights and their formidable service to God's Kingdom. We have done most of the filming and are now in the editing stage, hopefully releasing this film this month.

MAR 24

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

This winter, with money from the Ukraine Relief Fund, we gave out warm fleece blankets, pillows, and food packages. Last year we distributed rechargeable lamps, and the theme of our outreach could be described as light. This year our theme word was warmth. Thankfully Ukraine's utilities infrastructures have not suffered crippling effects to the same degree as last year, but we remained ready in case that did happen. The war in Ukraine has officially entered its third year. Despite faltering Western aid and support, God is able to save this nation. Vultures are gathering. Romanian, Hungarian, and Slovakian leaders have openly stated their intentions to dissect Ukraine, should Russia prevail. Please pray that God's will prevails. It may not look exactly like what we hope for, but God knows best.

MAR 25

S&C

This month we will be making visits to areas impacted by the earthquake, to visit our local partners and to help meet ongoing felt needs. Please pray for guidance as we discern ways to utilize the access we have gained through earthquake assistance, to connect with families on a deeper level. Pray for open doors into new communities.
