of Central Heights Church Missionaries

March 2022

If you would like more information about our missionaries, please send them an email.

MARCH 1

Warren & Dorothy Janzen
SEND Int'l - Abbotsford
wjanzen@send.org

SEND entered Ukraine in the early 1990s, with ministries in discipleship, church planting, community development and theological education. Over this time we've developed deep relationships with many Ukrainians and have many ongoing commitments. Many of our workers have chosen to stay in Ukraine despite the threat of violence from Russia. We're working with them to ensure they have what they need while they continue to minister. While the news can be alarmist and nerve wracking at times, I have a deep confidence in our people and their sensitivity to the leading of the Spirit.

MARCH 2

Wendy Eros
Multiply - Japan
wendyeros@gmail.com

Thank you so much for your prayers & support. Through your prayers, I'm now at 93% of my budget needs, praise the Lord! I still need to raise \$268 per month, so please pray the balance will be in very soon. Please pray for Hattori sensei (Pastor of Fujigaoka Christ Church) to be able to get the other part of my visa needed so that I can submit my full application in Vancouver soon. Please also pray for the ESL classes as they have been stopped again until the end of February. Pray that once they resume, students will continue to be blessed through chapel time and come to know the true hope found in Jesus. Pray for the Gotto family of Fujigaoka Church as Satomi Gotto passed away after a very long illness.

MARCH 3

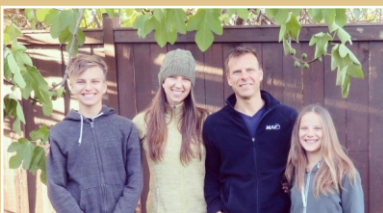

Trever & Joan Godard
Multiply - BC
trevergodard@gmail.com

Joan and I will be teaching at THRIVE (A discipleship training program on the former Bethany Bible College campus in Hepburn) from March 14-18 and throughout the month of March we will be visiting our supporting churches in Sk and Alberta. Pray for wisdom to share what God would want as this will probably be our last church tour since we are now working part time with MULTIPLY.

We have been so blessed by strong church and individual partners over the past 40 years of ministry within the MB world.

MARCH 4

Chris & Julene Uganecz
MAF - Indonesia
cuganecz@maf.org

The plan is for Chris to have his first solo flight on the MAF amphib caravan plane next week! It is such a gift for him to again have this opportunity to fly float planes. Julene loves teaching at Papua Hope Language Institute. Please pray for her 14 English Production students who will be doing an English proficiency test on February 19th. Tehya is doing well in BC, working and studying. Thank you for praying for her! Paeton graduates from Hillcrest School at the end of May. Please pray for him as he soon will move back to BC and hopes to attend Bible College. Makenna completes middle school this Spring and looks forward to beginning high school later this year! Please pray for us as we finish off this term with MAF and prepare for furlough this summer, that God will guide us, filling us with the Holy Spirit, working in us and through us.

MARCH 5

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

I am settling back into the swing of things here in Niger. I'm teaching grade 5 math and spelling, helping with some ELL students, and providing learning assistance for some other students. I've also been able to help out Sahel by substituting for a couple different teachers. One other exciting thing is that I'm pursuing a Masters of Leadership in Global Christian Education through Prairie College in Alberta. The program is 100% online so I can do it all from Niger. Please pray for organization as I seek to stay on top of my planning for teaching and also balancing my Master's school work. Please pray for Sahel as they continue to raise support for the final purchase.

MARCH 6

Andrew & Karlee
Himalayas

Our Discipleship Training School (DTS) is underway! As we started day one we received 4 more applicants. We now have 55 students! This is one of the biggest international DTS's ever run here in the Himalayas. There are 31 local students and 24 foreign students from 9 different countries. From staff training, student arrivals, and covid/international travel changes leading to speaker cancellations it has been a great opportunity to grow. Hearing the stories of some of our students from closed Muslim countries has given us fresh perspective. We have the privilege of knowing the God of the Bible, having His word in our language, and His Holy Spirit dwelling with us. We as believers have the biggest reason to be hopeful today. Regardless of the world's politics surrounding us. Take Courage.

MARCH 7

Brent & Jody Nesbitt
P2C - Langley
brent.nesbitt@powertochange.org

Pray for Joseph as he completes 10 weeks at Capenwray Bible School in Spain. Pray that God would give him direction for what's next in his life. Continue to pray for our programming team as we get ready to launch our next app around May 1. (lots of testing between now and then). And pray for the construction of our new headquarters building in Abbotsford. Pray that we would be the fragrance of Christ in that neighbourhood.

MARCH 8

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

We'd like to reassure everyone that we are okay. It is speculated that Russia intends to knock out Kyiv, Ukraine's capital. This would almost certainly destabilize the entire nation. We do not sense any direct threat here in Uzhhorod, the westernmost region of Ukraine. Whatever happens will definitely impact all of Ukraine, but it is unlikely that imminent danger extends this far west. Please pray with us that God will intervene and save Ukraine in such a way that the nations have no possible explanation but to give God all the glory and honor and praise. We believe God has a plan. The outcome might be different than we envision but God has an overall plan and design, and we know that He is worthy of our trust.

MARCH 9

Gene & Grace Fox
Int'l Messengers - BC
grace@gracefox.com

The IM board voted to accept the marine ministry's application to join our staff. The board of that ministry will vote this month to turn over all assets to IM Canada. Please pray for God's will to be done. He can still close the door on this transfer if that board, for some reason, votes no. Grace's new book, Keeping Hope Alive: Devotions for Strength in the Storm, will release on March 9th. Please pray for a strong launch. 700 Club Canada will interview her on the 8th – pray that this interview will bless viewers worldwide. We're praying about participating in evangelistic camps in Egypt this summer. Pray for clear direction. A woman in Nanaimo has expressed interest in our office administrative assistant position. Pray for God's direction.

MARCH 10

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

Amongst both young people and older folks I am seeing an increased desire to personally engage in meaningful prayer and personal Bible study. I love having conversations with individuals that support them as they figure out what this will look like in their lives within their community. One creative idea included arranging Bible Art events for children in the neighbourhood and inviting the moms to join in and then hang out afterwards for coffee, conversations, and reflection on the Bible story content. I believe this development is because of God answering prayer. God is at work around the world and it is beautiful to see.

MARCH 11

Stan & Annamaria Goertzen
TEAM - Italy
goertzens@gmail.com

Pray for Stan as he begins work as a chaplain for a Baptist Housing senior's facility in White Rock. Pray for open doors for witness and spiritual encouragement. Pray for Annamaria as she continues to work to translate materials into Italian for use in the churches as well as serve as president of the Path of Hope Association in Forli. Finally, pray for us as we plan to return to Italy for a brief visit this summer in order to run the children's day camp in Forli. Pray for wisdom, creativity and sensitivity to God's leading as we make preparations.

MARCH 12

James & Carolanne Warkentin
P2C (Digital Strategies) - Langley
james.warkentin@p2c.com

Dear Friends. Thank you for continuing to pray for us. Here are some special requests you could pray for this month. Please pray for our online mentors who serve as the front-line in our ministry. They continually receive messages from people around the world looking for advice, help and hope. Pray for more "technically inclined" people to join our team. There are many opportunities to serve God in this digital space. Pray for our ministry and staff funding. Both of these remain low, with several members having to split their time between fund raising and ministry work. As a final note for celebration, in January we saw 6781 people connect with a mentor, over 4000 people heard the gospel, and over 242 people decided to follow Jesus. Thank you for continuing to pray!

MARCH 13

Richard & Becky Szmuto
P2C Films - Langley
richard.szmuto@p2c.com

Pray for us as we enter a very busy time providing videos for our ministries, including, Athletes in Action, Family Life, Drime, When and Connecting Streams.

Also, even though our staff conference is in July, we are beginning to plan and strategize video production for that as well. As always, we are looking for more staff so please pray for that as well.
