**Wendy Eros**

Multiply - Japan

Thank you for your prayers & support for my ESL ministry here in Nagoya. The school year ends in March and we are praying for new students to join our classes in April. Please pray for the new pastor at Fujigaoka Christ Church, Yamamoto sensei, who will begin in April and pray for Hattori sensei and Taeko san as they retire from the church. Please pray for Yumiko, Yoko and Makiko, 3 of my students who have joined the OneVoice Gospel Choir that I sing with. Pray they will want to know about God as they praise Him through song and please pray for all choir members and that I'll have more opportunities to share the gospel with them during practices.

**Brent & Jody Nesbitt**

P2C - Langley

[brent.nesbitt@powertochange.org](mailto:brent.nesbitt@powertochange.org)

Thank you for your prayers for Power to Change, as our new building was being constructed. Praise the Lord that it is now complete, and I expect that as you read this we will have recently moved in, and will be adjusting to the new environment, and the new way of working. Pray for a smooth transition. Pray that we would shine the Light of Christ into our new neighbourhood. Pray that God's presence would be experienced by everyone who walks through the doors of our new headquarters building.

**MAR 4**

**Chris & Julene Uganecz**

MAF - Indonesia

[cuganecz@maf.org](mailto:cuganecz@maf.org)

Thank you for continuing to pray for us. There has been political upheaval in the city and rebellious activity interior. Our governor has been arrested for corruption and an interior rebel group has burned a plane and taken a pilot hostage. With all of this, both of our jobs are affected: Julene because her students are government sponsored, and Chris because he flies interior. Thank you for prayers for wisdom as we live and work here, and for Makenna as she soon will go on OE (the annual high school missions' trip). Praise the LORD, we are well.

**MAR 5**

**Toño & Giovanna Guzman**

La Cantera Church

Guadalajara, Mexico

Our prayer requests:

- For the internal organization of the church. (define roles, responsibilities etc)
- For Yoselin - our missionary who will leave for Thailand in August.
- For planning projects such as gifts from the heart, and planting cells.
- For Chuy and Mafer, may God give them wisdom in this new phase of parents.
- For Jesus Guzman, my father, may he continue to heal and recover from a fall.
- For the integral health of the congregation, mental, spiritual and physical, that we continue to grow integrally. May we continue to identify with our mission and vision. (To be a great church in word and deed by the power of the ES and prepare your church for its encounter with the Lord Jesus Christ.)
- For me - Antonio - who decided to quit working (secular job) in a period of 2 years, but since then I have been working for 15 years. It will always be my dream to serve God 100% of my time in the vocation to which I am called and I am passionate about. Pray that this dream becomes reality.

**Matt & Teresa Guynup**  
P2C (AIA) - Langley  
[guynups@hotmail.com](mailto:guynups@hotmail.com)

Thank you for your prayers for the team that travelled to Mauritius (including my family). We were so grateful, and saw the impact of God's protection, and his hand on our trip. Now we are preparing for several more trips moving into the summer. Pray that these trips would be huge encouragements for the AIA teams in country who will continue their ministry after we have left. Pray that our presence will open many doors for them to continue growing their impact. Pray for the participants of the trips that God would prepare their hearts for the ministry but also to learn what God wants them to.

**Kent & Inga Friesen**  
TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

The last part of 2022 was a highlight for us. God blessed us to be able to provide for people EcoFlow home power station units for heat and electricity, and rechargeable lamps, and one-year Our Daily Bread daily devotionals (in Ukrainian language). We also bought an EcoFlow power station for ourselves. It has been very helpful. This was an unplanned personal expense but by making a few minor adjustments in our longer term budget, we'll be fine. It's hard to watch people suffer. We are so thankful to help others, but sometimes it seems like such small things we're doing. We hope to visit Canada this summer. It has been nearly four years since we were last there. It would be amazing to see friends and family and church again.

**Warren & Dorothy Janzen**  
SEND Int'l - Abbotsford  
[wjanzen@send.org](mailto:wjanzen@send.org)

Thank you for your prayers! This month Dorothy and I travel to visit our teams in the Philippines. From there I'll continue on to Indonesia and Malaysia to meet potential partners and finalize where SEND will place new discipleship and church planting teams. Please pray safety and protection as we travel, and for wisdom as we discern where and how we can be the presence of Jesus (bringing his love, justice, grace and mercy to people) and bring His message of hope and salvation to those who are beyond the reach of any local church.

**Richard & Becky Szmuto**

We are days away from moving into our new home, our studio will not be completely done when we enter so pray that the rest of the building and setup process will go as well as possible. Pray too for effectiveness working outside our studio during this transition time.

**Rob & Judy Griffioen**

GNI - Canada

[robandjudy2thai@gmail.com](mailto:robandjudy2thai@gmail.com)

In March, we (Rob and Judy) plan to be in Thailand. Our partners (Thana & Siripon) will be moving to a new area in northern Thailand to do outreach among the least-reached there. We also plan to be involved with a key training opportunity and a wedding in Southern Thailand. On top of this, we are excited to report that the LORD is opening new doors for outreach in troubled Shan State. At least 4 young adults received Christ in February and there is every indication that more may soon follow. Pray that the LORD of the harvest will bring MANY MORE into His Kingdom in Myanmar and in Thailand. Please also pray for safety in travel, strength and wisdom in bringing the Good News to the poor and oppressed.

[goertzens@gmail.com](mailto:goertzens@gmail.com)

Please pray for God's guidance regarding our plans and activities this summer, in particular regarding whether or not we should return to Italy to run two weeks of children's day camps. Also TEAM of Canada has joined the Send Collective of Canadian mission organizations. Pray for discernment and wisdom for leadership as this becomes a reality and pray for us also that we would find our place in ministry. We are thankful for the wonderful part-time ministry God has given Stan who serves as a chaplain four days a week in White Rock.

**Amanda Doerksen**  
SIM - Niger  
[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

Hello Church family! The cool season in Niger has officially closed and we are rapidly approaching the hot season. The biggest challenge for us during these upcoming months is that the temperature will stay in the 30's during the night so there isn't much reprieve from the heat and with daily highs in the 40's we become very reliant on our generators at school during power cuts. Please pray for stamina and rest for the teachers and students in these upcoming months. Please pray that our generators function well and have no mechanical issues. I am also in the middle of my research project on student perseverance for my Masters. Things have been going well and I am learning a lot. Please pray for me as I collect all my data and analyze it that I am able to identify strategies and ideas to help my students grow in perseverance.

Chart, one of our boys aged 12, we found his mother 3 months ago, and now she has accepted Christ. He is living with her and she is bringing friends to church too! Pray that they stay growing in their faith and that the stepdad and sister come to Christ. Pray for our teens who are thinking about getting baptized! Prim, Briow, Bong, Peter. Pray for them to be strong. Pray for favor with the government regarding adoption. Right now we have 5 young babies and toddlers we would love to see adopted out, but the government is very hesitant to begin processing a case. It is a big problem in Thailand, and so children often spend their whole life in orphanages and no one ever shows up. Pray for the basketball athletes God is calling to our summer mission trip, for him to prepare their hearts to share the good news.

**Ruth Maxwell**  
SIM - Abbotsford  
[ruth.maxwell@sim.org](mailto:ruth.maxwell@sim.org)

Thank you for praying for the Serve Conference / MissionsFest Vancouver. Although the number of attendees was not as high as other years, the quality of conversations was excellent. It felt like people came for the purpose of learning more about what God is doing and how they might fit into what He is doing. I love the fact that in God's Kingdom we get to be encouragers for others as they take their next step of faith. We aren't tasked with recruiting.

Praise God for the new believer Bible study group that has started in Aire and Nui's village. In the midst of spiritual battles and obstacles of all kinds, God is working and growing this small group of believers. Last week a new lady joined who had heard about God for the first time from her neighbour (one of the new believers). He shared with her that he had asked Jesus to be his Lord and Savior. She was drawn by his excitement to learn about God and the Truth that he was learning from the Word of God. These new believers are bold and hungry for Truth and praying for transformation. Continue to pray for Nui and Aire as they are being raised up to lead this small but growing cell church. Pray that their family members and neighbours will come to know Jesus as Savior as well.

Thank you for continuing to lift us up in prayer throughout this past year. Your partnership with us through financial support and prayer is a great encouragement and allows us to continue in this ministry. I thought you might be encouraged to hear how God has been using your gifts.

In 2022 your partnership helped 1491 people make decisions to follow Jesus through our mentoring program. Additionally, 243 new mentors were trained and began ministry responding to people who came to us looking for help. Thank you for being a part of this amazing work that God is doing through P2C Digital Strategies. To learn more about the ministry visit [p2cdigital.com](http://p2cdigital.com)
