MONTHLY PRAYER CALENDAR

of Central Heights Church Missionaries

APRIL 2024

APR 1

Ricky & Karen Sanchez
YWAM - Thailand
sierrasanchez@hotmail.com

Praise God for His faithfulness! Last week we took 50 Thai people to a worship night on the street in Pattaya, called Pattaya Praise. Some of the women we help and who live with us now, used to sell themselves on those same streets, and now they were worshipping God with their whole hearts and jumping in praise at His goodness! Please pray for some of the women with us still seeking healing from trauma from their years on the streets. Pray for Gob, Kane, Ya, Taa, Carmel, Sanuk, to grow in their faith. Many of our youth will attend Christian summer camps this next month, please pray for God to touch them in mighty ways and renew their calling to serve HIm. Pray for a male basketball player for our mission trip this summer, we are needing one more.

APR 2

Gene & Grace Fox
Int'l Messengers - British Columbia
grace@gracefox.com

God is opening doors for International Messengers to minister in Iraq. Pray for the leadership's wisdom as they determine the next steps. Ask God to prepare volunteers' hearts to minister at our evangelistic camps overseas. Pray for wisdom and joy for our national missionaries as they arrange the details and prepare to receive the teams. Pray for our neighbour Andrew's salvation. His chemotherapy is no longer working. He allows us to pray for him, and he gives us big hugs. He has even invited us into his boat to visit (that's a huge breakthrough), but he still doesn't acknowledge his need for Jesus. Continue praying for Gene's energy to return and for Grace to follow the Holy Spirit's lead as she writes her next book.

APR 3

Wendy Eros
Multiply - Japan
wendyeros@gmail.com

Please pray for more ESL teachers for Japan. The harvest is so plentiful but the workers are few. Please pray that the Easter classes at the end of March will have had an impact on the students at Fujigaoka Christ church and Komaki Hope Chapel. Praise the Lord for the work he is doing through the movie times at both churches. It's so encouraging to see students and church members together! Thank you for your prayers for the gospel choir members as well. Pray they will want to know Jesus personally. Praying you and your families had a blessed Easter! He is Risen!!

I'm so thankful for 3 good weeks in Thailand. God answered prayer on so many levels and in so many different areas. Thank you for praying. It was special to have lunch one day with Cynthia Friesen. She is an amazing cross-cultural worker from this church. The next couple of months I will be back and forth to Alberta and preparing for training sessions back in Thailand in July. Pray for the Lord's preparation of my heart as I lead these sessions. Also, for His creativity as I plan.

Amanda Doerksen
SIM - Niger

Hello Central Heights family! We are officially into hot season. The daily high temperatures are around 40 and the nights stay in the 30's. Please pray for endurance as we deal with hot weather, increasing humidity, and power cuts. The high temperatures will last throughout April and May. Our rainy season usually comes around the middle of May and June which will help to make things more manageable. The last rain we had was in September. What a difference from BC! April also marks the end of Ramadan. Please pray for people to have eyes to see Jesus and ears to hear the truth. Please continue to pray for open land borders. We are still waiting on a container of school supplies that should have arrived in June 2023.

An English club I have been part of for several years is taking encouraging steps. Igor, the club founder and leader, moved with his wife to Slovakia last year. In doing so, he left two other founding members and me in charge of the group. Most recently, our weekly discussion topic was life after death. Normally we meet for an hour and a half. At the end of the meeting, everyone expressed interest in continuing the discussion on the same topic for the next meeting. This is rare, and I was excited. It's clear that people are searching. These people are so special to me, and I truly hope to see each one of them in Heaven. Your prayers and encouragement are God's equipping that keeps us going. Thank you!

Thank you for your prayers.

We are excited to welcome Anilee home after almost 6 months away. Her time was rich with new friendships, and a deeper walk with God.

Please pray for her as she re-integrates into Canadian culture.

Continue to pray for our staff as they begin the 2024/2025 budgeting season using the new app we just launched in February. And pray for Joseph, as he navigates having a girlfriend, other friendships, and the very demanding TWU Nursing program. Pray for each of us that we would be salt and light in the various environments where we work

Recently we have been working on a documentary of the man who created and ran Friday Nite Basketball, many of you know him- Frank Thoutenhoofd. His story is a great blend of bringing something attractive to the community, (basketball) and sharing the gospel in a meaningful way. It's an ambitious project but worthy of Frank and Ruth who have both given so much to Abbotsford and beyond. We are hoping to release this film before the end of April.

Pray for Joan this month as she does another week of residency for a Spiritual Director course in Idaho starting on April 21. This course has already been very helpful in her ministry at MULTIPLY with member care as she has ongoing conversations with several global workers.

This month will mark the end of Ramadan and Eid. A time when the locals think their prayers will be heard more. Please pray with us that as they are praying to walk closer with God that he would reveal to them the Way, the Truth and the Life. We are also preparing to welcome our first team member. So please pray for God's blessing on that!

Warren & Dorothy Janzen

SEND Int'l - Abbotsford
wjanzen@send.org

On April 24th I leave for a two plus week trip to three countries in Asia. Along with meeting our teams in various locations we will be discerning how to increasingly join with what the Holy Spirit is doing in each of those settings. Our focus is on making disciples and planting churches that reproduce among the unreached, and ALSO how to inform, inspire and facilitate local believers to go with the gospel to other unreached peoples. Please pray for good travel, great connections with our teams and partners, and most of all that the Holy Spirit would have the loudest voice in our planning and discussions. Pray for hearts ready to obey what the Spirit shows us. Thanks for joining us in prayer.

I invite you to pray for "C", one of our new long term workers. He is currently preparing to serve on a long term team in a Muslim country in the middle east. "C's" love for God and teachability encourages me. He will need a solid team of praying people to partner with him. He will also need people who are willing to support financially. Lord, we ask that you would help him build this team. If you are interested in meeting with him to get to know him more, to join his prayer team or to give to this ministry, let me know.

We are discovering more and more that God is better than we could have ever dreamed. We are currently in a neighbouring country for a few months helping some friends with a young adults project. We are seeing amazing transformation in the lives of these 15 young students and soon they will be launched out internationally to teach and share what they have learned. We are also very excited to announce we will be welcoming baby number 2 in August! Please be praying for health for both mama and baby over the next few months.
