APRIL 1

Chris & Julene Uganecz
MAF - Indonesia
cuganecz@maf.org

God is in control, and He is good.

We are nearing the end of our fourth term with MAF and look forward to a summer furlough in Canada.

Please keep Paeton in your prayers as he finishes off the last bit of high school, as this chapter of his life closes off, and as he begins adulthood in B.C.!

Hopefully, Chris will be flying solo on the amphib plane soon, and Julene is right in the middle of the Spring semester instructing at PHLI.

Wendy Eros
Multiply - Japan

Praise the Lord I was able to apply for my visa on March 9th. Please pray the balance of my budget needs (\$330/month) will be met before the end of May so I can leave the first week of June for Japan. Pray for me as I travel to the Prairies Apr. 15-29 on a partnership development trip: pray for safety on the roads and for good conversations with potential/current supporters. Pray also for continued good health and for peace & wisdom in the final stages of preparing to return to Japan for 3 more years. Please pray for Cory & Masami Giesbrecht as they return to Canada for MINA at the end of March. Wishing you and your families a very blessed Easter. He is Risen!

APRIL 3

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

Hello CHC family, we are into our fourth and final quarter at Sahel. We have a two-week spring break in April and then we finish school at the end of May. These next two months will be very busy for us as we approach year-end, exams for high school, and people leaving. We are currently in need of a grade 2 and a grade 5 teacher for next year. If you have ever thought about teaching abroad and would like to know more about Sahel, I'd love to talk with you. Please pray for the goodbyes that are coming and for those of us who are staying. Please pray for Sahel as they continue to raise support for the final purchase.

APRIL 4

Gene & Grace Fox
Int'l Messengers - BC
grace@gracefox.com

Most of our staff working in Eastern Europe are involved with housing and transporting refugees. Pray for funds to meet those needs and for many opportunities to share the Gospel. Pray for their physical, mental, and emotional well-being. In the past, you've prayed for "A" (AlaaDeen)—a Syrian man doing ministry in Beirut with International Messengers. The Canadian government has officially accepted him as a refugee. He will arrive within three months or so. Our biggest concern is finding him a place to live. Pray for us to find the home of God's choosing.

The woman we'd hoped would become our office administrator has decided that now is not the time to relocate. So, continue praying for office help. Our workload is increasing as IM Canada grows, so this is urgent.

Brent & Jody Nesbitt

P2C - Langley

I am excited about the progress on our new building on Mt. Lehman Rd., Abbotsford. The walls are up, and it is starting to look like an actual structure! Please pray for the ongoing construction by Titan Construction, and that we would be a blessing to that neighbourhood. Our programming team is wrapping up our latest project: a reporting app for sending funding overseas. We are beginning the testing phase now (March), and plan to launch everything in May. This has been a great experience of learning teamwork and communication, as well as skills-building all-around. Also pray for our managers as they prioritize the next projects for us.

Richard & Becky Szmuto

P2C Films - Langley

richard.szmuto@p2c.com

Pray for us as we break down what we need to produce for the year, sometimes being in ministry means calculating how best we can steward what we have. In our ministry, using equipment that needs to be updated and purchased, we want to be wise in our decision making and be responsible with the resources that we have and manage appropriately to make the greatest contribution we can to God's Kingdom.

APRIL 8

Warren & Dorothy Janzen

SEND Int'l - Abbotsford

wjanzen@send.org

Thank you so much for your prayers and support. Here are ways to continue to pray specifically for Ukraine:

Ask God to redeem this terrible situation by drawing many people to Himself. Pray for safe corridors through which evacuation of people and flow of humanitarian aid can get into key cities. For protection over churches which have become community bomb shelters and kitchens. For the children and mothers who are separated from their husbands. For SEND missionaries and partners especially in Poland and Romania as they work with refugees.

Please go to send.org for more ways to pray, to give, and to advocate.

Mike & Karen Woodard
P2C (FamilyLife) - Langley
mike@familylifecanada.com

The last weekend of February, we joined this team to host our Victoria Weekend Getaway conference with 100 couples. It was not in our plan to go but two days before we were asked to direct the conference because the couple who were lined up to do it could not because of a family crisis. I wish you could have been with us to see the reactions of the couples who attended throughout the weekend. It seemed clear that God was at work. After the conference I always read every evaluation. The comments really give a glimpse of what was happening. Here's one of many...

Like opening all the doors and pulling back the curtains to let in the sunshine and fresh, clean air back into our marriage. We can see the beauty again after 25 years married. – Wife

Thank you for partnering with us in your prayers and financial support!

APRIL 11

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

As missionaries in Ukraine, we see God at work in ways that we could not anticipate. While Ukraine is fighting to defend itself against a stronger, more numerous foe, God is providing in miraculous ways. For example, Russian scouts go before an attack and strategically place ultraviolet marks on targets to be bombed. In many areas, snowfall has covered those marks. Also, a storm in the Black Sea prevented Russian ships from transporting troops and supplies to Ukraine through key ports. A large number of missiles that were launched at Ukraine inexplicably did not explode. Further, enemy paratroopers entering Ukraine across the Belarus border were blown back abroad by opposing winds. Most amazing and exciting of all is that the Ukrainian president has begun encouraging people to believe in God.

The Hadime training will have unique opportunities to share the gospel through Easter events this month, so pray for the students and staff as they prepare to be in churches and out on the street sharing the Good News with people who will need to hear it.

Pray also for Tomas and Melody (directors at the Matthew Training Center in Guadalajara, Mexico), as they continue to raise support in order to meet the requirements to apply for a Mexican religious visa.

APRIL 13

Doug & Cindy Rintoul
Wycliffe Int/CanIL - Langley
doug-cindy_rintoul@sil.org

We are thankful that Doug's right hip replacement went well and that Doug is recovering as expected. He will be out of commission for at least another four weeks, though he is able to do some work remotely from home. CanIL is continuing to function while he is gone though many are saying they can't wait for him to be back.

Most classes are now back to being in person, and it has been good to see community life blossom again among the staff and the students. Pray for a great end to the semester, and direction for those who are completing their studies this spring. Pray also for those students who are considering coming for our summer program that they would catch the vision of becoming involved in Bible translation.

Greg & Becky Ouellette

18 years ago a vision was birthed in the Indian MB conference to see missionaries sent to the Lower Mainland to share the good news of Jesus with South Asians. That vision is now becoming a reality as we prepare to receive a family of 4 this May/June! Pray for A & A and their 2 boys (10 & 8yrs old) as they transition from life in India to life in Abbotsford. We have been asked to provide some training for them when they arrive. Lord, help us to serve them well. Thank you for how you are sending people from everywhere to everywhere! Thank you for the network of people you are forming. May your Hand be on them and all the people & details involved in the ministry you have called them to.
