APR 1

Ricky & Karen Sanchez
YWAM - Thailand
sierrasanchez@hotmail.com

Praise God with us for new zeal in the church, and for two women who had left the church 5 years ago and have come back! Please pray for Nong and Jaa, to stay strong in their faith. Please pray for Pastor Gideon and Fon as they welcome their 2nd child this month. Pray for Prim who is getting baptized this month. Please pray too for the Youth Bible Camp that many of our ALH teens are going to next month. Pray that some of their friends will go along. We are trying to send 2 Thais to a 1 week conference on The Father Heart of God, please pray they can both get off work and attend this special seminar. Thanks for your prayers!

APR 2

Warren & Dorothy Janzen
SEND Int'l - Abbotsford
wjanzen@send.org

This month I (Warren) travel to the country of Georgia to finalize SEND's strategy for launching a team there to work with local unreached peoples. We've done a lot of preliminary research, have some people already living there and networking with potential local partners. We want to do one final visit asking the Holy Spirit to confirm where, how, and with whom we can join in His work to see God's Kingdom come and His will be done in Georgia as it is in heaven. Pray for discerning hearts ready to hear from the Spirit what He has for us.

APR 3

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

During April and early May, I am planning to take a 6-week coaching course focused on working with leaders as they make decisions. I will learn how to coach leaders as they engage critical thinking, encourage diversity of thought, evaluate assumptions and biases, and understand how plans can fail (to prevent failure). It will be a learning curve, but it seems like the Lord has opened this door, so I am looking forward to it.

APR 4

Wendy Eros
Multiply - Japan
wendyeros@gmail.com

Thank you for praying for movie nights. The students continue to be open to coming and seeing God's love in action through these times. Praise the Lord for an encouraging time of worship & prayer at our team meeting on Mar. 3 at Nosegawa Bible Camp in Hyogo Prefecture. Praise the Lord that I'm able to spend lots of time with students outside of the classroom deepening relationships. Please continue to pray for Tatsuji (Rikako's husband) as his health is declining quickly due to cancer.

APR 5

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

Hello Church family! Hot season is here. Please pray for stamina and rest for the teachers and students. Please pray that our generators function well at school and have no mechanical issues. Our spring break is March 27-April 10. Pray for times of rest and relaxation for teachers and students and a renewed sense of community as we come back together for the end of the fourth quarter. I am getting ready to start the second round of my research project on student perseverance for my Masters. Things have been going well and I am learning a lot. Please pray for me as I reflect on what my students and I have been learning through this project.

APR 6

Dave & Rushia Klassen
P2C (AIA) - Langley
davek@athletesinaction.com

Please pray for us as we work through all the transitions and changes for athletes on both the Vancouver and Abbotsford Canucks as well as the BC Lions. Please pray as AIA launches overseas sports tours to SE Asia, Mauritius and Madagascar in the next few months. Please pray as AIA prepares and arranges the 75 + sports camps across Canada this summer. We are hoping to reach hundreds of youth for Christ. Please pray for Rushia and me as we guide and grow the staff and ministries God has asked us to lead.

APR 9

Trever & Joan Godard
Multiply - BC
trevergodard@gmail.com

Joan and I will be teaching at a Nations2Nations seminar in Oliver April 10-12. Pray for discernment as we challenge people to get involved with God's mission here in Canada.

Many different countries are using the Missional Leadership Training from MULTIPLY (Trever is on the design team for developing these), so pray that the leaders and pastors who take this training would experience deep transformation for themselves and their ministries.

APR 10

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

Inga has a student (Nicole) who is finishing high school this spring. Nicole has been working hard to prepare for entry to an information technology (IT) university in Prague where she hopes to begin studies this fall. A huge part of the preparation process is taking an SAT test, the components of which are math and English. Inga has been helping with the English part. Nicole's SAT test was scheduled for March 11th - in Kraków, Poland. Neither of her parents is allowed to leave the country, so we gave Nicole a ride to Kraków and back home that weekend. Inga knows the family well and they are grateful for this help. It is so rewarding to see seeds planted in someone's life and to have opportunity to watch them grow.

Brent & Jody Nesbitt
P2C - Langley

What a joy to be in our new building in Abbotsford, where we can once again meet with one another face-to-face, and I am near enough to be able to bike to work.

March has been a whirlwind, as Jody has been on Jury duty - at the same time as she was hired for a new job with Bethesda, Anilee turned 18, and we've taken our turns with sickness.

At the office I am on the verge of launching the Account Transfers app I have been building, and am busy working on two others - one of those being the Budgets app that had to be put on hold at the end of last year.

Thank you for your prayers.

APR 14

Chris & Julene Uganecz
MAF - Indonesia
cuganecz@maf.org

Thank you for your continued faithful support and prayers, Central Heights family! Despite some recent political upheaval and rebel activities, we are well. Chris has recently been accompanied by young Papuan pilots who hope to become a part of MAF. Julene has been working with PHLI students who hope to transition to university in America this summer. Makenna has just returned from 11 days interior where she served with the high school (kids' club, AIDs/HIV presentations, showing the Jesus film). Tehya and Paeton are both in BC, enjoying Bible College programs. Our house feels emptier, and we rely on our family in Canada to be the support that we cannot be from here. We are thankful for the texting and video calls that we can make, and we look forward to having them visit Papua later this Spring!

James & Carolanne Warkentin
P2C (Digital Strategies) - Langley
james.warkentin@p2c.com

Thank you so much for your continued prayer and support of us. We are very blessed to have friends and donors who continue to surround us and this ministry in prayer. As you may know, much of my practical day-to-day activity is writing the back-end code that runs our various software platforms and outreach sites. Right now I'm exploring how we might build a live-chat system where our visitors would be able to talk directly to the mentors while maintaining security and anonymity on both sides. Please pray for wisdom in this process, both for the building of it as well as the development of the over-all strategy. Please also pray for our continued funding both as a ministry as well as personally.

Gene & Grace Fox

Int'l Messengers - British Columbia
grace@gracefox.com

Pray for renewed strength after a crazy-busy six weeks with Grace helping family in Prince George, Gene carrying the IM workload in Abbotsford, and a trip to Poland for staff conference. We have interviewed a woman for the position of administrative assistant. Pray that God will direct our steps as we move forward in hopes of hiring her. Pray that God will bring to us the person who will be Gene's successor someday. Pray for the salvation of our marina neighbor, Andrew. His cancer has spread and the doctors have given him only a few months to live. He is a professing atheist, so pray that the Holy Spirit will change his thinking. Pray for Grace's creativity as she finally sits down to begin writing her next contracted book.

APR 23

Mike & Karen Woodard

Power To Change - Langley
mike@familylifecanada.com

What a thrilling experience! Ten days in Benin. I joined a group of 10 others on a Global Aid Network trip to engage with their Water for Life Initiative. Through the Cycling 4 Water rides funds were raised to cover the cost of 100 wells! We helped build two well platforms, commission a well with the showing of the Jesus film and even helped build a church. I loaded a blog and pictures each day on www.cycling4water.ca site. Check it out. Thank you for your partnership in this amazing work!

APR 24

Richard & Becky Szmuto

P2C Films - Langley
richard.szmuto@p2c.com

We are in our new home! Our studio along with the rest of the P2C headquarters building (I think it is called the National Resource Centre) is now in Abbotsford, which is great and we are looking forward to getting adjusted to our new location. Pray for us as we continue to finish the studio, as some parts need to come in and we have a lot of gear to organize.
