#### MAY 1

**Art & Eleanore Klassen**  
Pioneers - Abbotsford  
[art.klassen@telus.net](mailto:art.klassen@telus.net)

When does a missionary “hang up his skates”? Well, when the ice melts, or the laces tear or you break your hockey stick. What did it mean for us? We just kept going. During the years before Covid-19 we made regular visits to TWU, relating to many “foreign” students there giving out Mandarin and Arabic Bibles and sharing the Gospel. We also saw the need for further teaching and sent out devotionals weekly to up to 60 students on John, Acts and more recently Revelation. They do not all open the Mail Chimp that I use to send them, but some open it every week. Recently we learned that a student opened it after a year of being on my list. So we keep on and trust the Word to do its work in the lives it touches.

#### MAY 2

**Wendy Eros**  
Multiply - Japan  
[wendyeros@gmail.com](mailto:wendyeros@gmail.com)

Praise the Lord my visa for Japan was approved on March 16th. I'm excited to say that I have my ticket to return to Nagoya set for June 8th. Please continue to pray for the balance of my support to come in before the end of May and that all PCR testing for my flights will be negative. Pray for my granddaughters and that they will continue to read their Bibles and one day invite Jesus into their hearts. I would like to see many of you before I leave, so please call me at 604-832-0477 so we can set up a time to get together. I'm so grateful to all of you for your prayers, support & encouragement and for walking with me on this journey.

#### MAY 3

**Ricky & Karen Sanchez**  
Multiply - Thailand  
[sierrasanchez@hotmail.com](mailto:sierrasanchez@hotmail.com)

Praise God for the 5 recent graduates from 4 years of Bible College! Two of them were youth from ALH orphanage, and now we have more teens in the homes who are praying about going to Bible college in the future. Please pray for them as they are now serving God in new areas. Please pray for 'Mic', one of ALH's youth, who had TB of the brain, and is now struggling to talk, eat, and function. Pray for God to heal him miraculously. Pray for his fiance, Toon, who gave her life to Christ last month, and her new faith. Please pray for a new Cambodian migrant camp we are working with, for a church to be birthed there and for a Cambodian leader with a heart for this camp. Praise God for the spiritual growth of the staff at the orphanage.

#### MAY 4

**Trever & Joan Godard**  
Multiply - BC  
[trevergodard@gmail.com](mailto:trevergodard@gmail.com)

Bryan and Carolina Diaz from Colombia, former Matthew training Center students, have been preparing for five years to go to Central Asia as long term missionaries and they will be working with MULTIPLY Global workers. They have applied for Visas to come to Canada this month for more training before leaving to Central Asia in June or July. Please pray for favour for Visas and for more financial support.

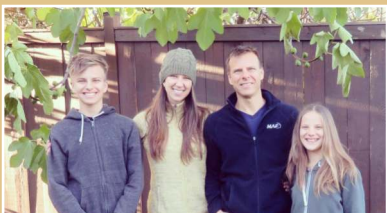

MAY 5

**Ruth Maxwell**  
SIM - Abbotsford  
[ruth.maxwell@sim.org](mailto:ruth.maxwell@sim.org)

As things “open up” and the option of travel once again comes into sight, I face a new challenge. — the challenge of possibly traveling again. All through Covid I enjoyed wonderful online ministry opportunities. Re-introducing travel means I will have less time for online ministry. I know this ministry is still needed and, if I begin traveling again, I’ll be traveling in a vastly changed world. I’m trusting God to order my steps, direct my paths, manage my calendar, and (if it is His plan for me to begin traveling again) to give me grace to let go some of what I’ve been doing to say yes to new opportunities. Thank you for praying with me about all of this.

MAY 6

**Chris & Julene Uganecz**  
MAF - Indonesia  
[cuganecz@maf.org](mailto:cuganecz@maf.org)

This week Chris completed his training and first solo flight on MAF's amphib float plane! It is a gift to fly this plane after flying floats back in Palangka Raya (2005-2010).

This week we are with the Grade 12 class on their senior/grad trip! Paeton graduates next month!

Julene is completing her second semester at PHLI this month, and she has found it such a joy to teach these students.

Thank you for praying for us as we complete this term and prepare for furlough. It is a full season and God has showered His grace on us!

MAY 7

**Amanda Doerksen**  
SIM - Niger  
[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

We are into our last month of school. Please pray for stamina for all of us as May is one of our hottest months (daily averages in the 40's) and is usually accompanied by power cuts. Please also pray for the goodbyes that are coming as we end the school year. We have grade 12 students going to different countries for post-secondary, families moving away, families leaving for home assignments, teachers leaving for home assignments, and teachers retiring. In light of all of this, we are also in great need of teaching staff for next year. If you have ever thought about teaching abroad and would like to learn more, let me know!

MAY 8

**Mike & Karen Woodard**  
P2C (FamilyLife) - Langley  
[mike@familylifecanada.com](mailto:mike@familylifecanada.com)

We wrapped up April with a digital parenting conference. About 1000 households signed up to take advantage of this free conference that featured parenting wisdom from 20 different speakers. I have been giving leadership to our FL efforts in providing help and hope to parents that attend our marriage events. Before Covid we would host a live event partnering with a local church and drawing on the local speakers but once Covid settled in we moved to a virtual format. The virtual event allows us to draw on speakers from various locations and provide on-demand streaming that allows busy parents to access the content when it fits into their schedule. Karen and I presented a workshop called: **Discipline that Connects with Your Child's Heart** from a book written by Jim and Lynne Jackson.

MAY 9

**Brent & Jody Nesbitt**  
P2C - Langley  
[brent.nesbitt@powertochange.org](mailto:brent.nesbitt@powertochange.org)

As I write this we are celebrating with Anilee that she passed her New Driver's road test on her first try! We are also eagerly looking forward to Joseph's return from Capernwray in Spain (and some European travel) in less than a week. Our new office building on Mt. Lehman Rd. in Abbotsford is around 50% complete. We are launching our latest IT project "International Reporting" at the start of May, and beginning a large new project of replacing our Customer Relationship Manager system (CRM) for the entire organization.

Please continue to pray for good communication with Anilee, and God's clear direction for Joseph's next steps career/school - wise.

Thank you for your prayers.

**MAY 10**

**Gene & Grace Fox**  
Int'l Messengers - BC  
[grace@gracefox.com](mailto:grace@gracefox.com)

Pray for AlaaDeen as he prepares to emigrate from Beirut to Abbotsford. Ask God to provide suitable housing, financial support, new and meaningful friendships, and a smooth transition as he lands in a foreign culture. We expect him to arrive in either June or July. Pray for the Holy Spirit's anointing on Grace as she speaks at a women's conference in Maryland on May 15-17.

Pray for an office administrator to join our staff. This person would need to raise her own financial support, and that's a deterrent for most potential applicants.

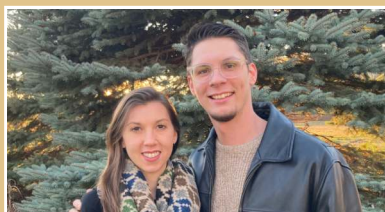

Pray for our daughter and her husband (Kim and Dave). He will begin his residency as a family practitioner in Prince George on July 2, and they are searching for suitable, affordable housing.

**Andrew & Karlee**  
Himalayas

We are expecting our first baby this September! Just celebrated 5 years on the field. We have just sent 7 international teams from our Discipleship School to the remote villages. Already we are receiving testimonies of miracles and more taking place. Ten people have already come to faith. One of our teams was on a bus and noticed a man's arm was swollen and infected. They asked to pray for him and the itching & swelling left. He was so amazed he asked more about this Jesus. A man sitting nearby saw what was going on and wanted to know also. Both of them got saved that day! We are believing for the remainder of the finances for all our students to finish this program. Please pray with us!

**MAY 13**

**Richard & Becky Szmuto**  
P2C Films - Langley  
[richard.szmuto@p2c.com](mailto:richard.szmuto@p2c.com)

Pray for us at P2C films as we have been asked to produce a series that will be essentially a Christian response to sexuality in our culture. This will include information regarding transgender and other LGBTQ+ issues. Pray that we will be steadfast and respectful in our treatment of this sensitive issue and it can be a project that will bring people together not force them apart.
