of Central Heights Church Missionaries

### May 2023

**Gene & Grace Fox**  
Int'l Messengers - British Columbia  
[grace@gracefox.com](mailto:grace@gracefox.com)

We spent several days in Poland with our staff in early April and heard many stories about God using the Ukraine crisis to build His kingdom in Eastern Europe. Pray that those working among the Ukrainian refugees will be physically strengthened. Pray for finances and resources to meet the ongoing needs. Pray for the safety of those delivering humanitarian supplies. The possibility of being hit by a missile is real. Pray that our displaced missionaries will experience clarity as they seek to establish new ministries in a new place. Our need for an administrative assistant is urgent. The woman we interviewed in March decided she didn't want the job, so we're back to square one. Pray for the person of God's choosing to fill this position.

Thank you, Central Heights Family, for your faithful support and prayers. We are coming to the end of a season, and our older kids are coming for a visit! Please be praying for us to have the LORD'S peace and wisdom as we move forward, that he will be glorified in our lives, and prepare us for the season ahead.

**Wendy Eros**  
Multiply - Japan

Praise the Lord for the Easter classes and events that were very impactful. 7 students attended a concert at Komaki Hope Chapel and 6 students came to Fujigaoka Christ Church (see photo). Please pray these students will come to church again. Pray for Rikako's husband who has now been admitted to a nursing home as he can no longer be taken care of at home. Pray for God's peace and comfort to surround them now.

**Ricky & Karen Sanchez**  
YWAM - Thailand  
[sierrasanchez@hotmail.com](mailto:sierrasanchez@hotmail.com)

We are grateful to God for all he is doing in the hearts of the Thai church and believers here. We are sending 12 teens to two youth camps in the next month. Both are bible camps with the theme of reaching Thailand with the gospel! One camp will have over 5,000 Thai teens and college aged kids coming together for worship, prayer and teaching. Please pray that our teens will be forever touched and changed by their experiences at these summer camps. Please pray for Opal, a new girl at ALH, who is very sick.

**MAY 8**

**Kent & Inga Friesen**  
TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

Yaroslav is one of Inga's English students. He is approaching his late forties and his brother, Vitaliy, is in his early fifties. Vitaliy is with the Ukrainian military and on April 11th was transferred to Bakhmut, currently the bloodiest battle location of the ongoing war. Generally, the battle in Bakhmut does not leave many survivors. Yaroslav is taking this very hard and has missed a few consecutive classes. He is an atheist but responded "thank you" when Inga texted him to say that we're praying for him and his brother. We are planning to visit Canada this summer. It has been four years and so we look forward to this time, but it is with mixed feelings that we prepare. Please pray for Yaroslav, Vitaliy, and for all of Ukraine.

SEND Int'l - Abbotsford  
[wjanzen@send.org](mailto:wjanzen@send.org)

Thank you for your prayers and support! Having completed numerous research and discernment trips this spring, it is time to take formal action. This month SEND's governance board meets to steward the resources of SEND to see God's Kingdom come, his will be done among the unreached peoples of our world. I and others will be bringing reports and challenges to the board to commit new people and resources to launch new teams into unreached people groups. Pray for unity and discernment as the board considers these opportunities. Thanks again for your upholding prayers.

**Mike & Karen Woodard**  
Power To Change - Langley  
[mike@familylifecanada.com](mailto:mike@familylifecanada.com)

Hosting our new staff orientation is one of the new roles I have as the Staff Care Director with Power to Change. May 10th we start a seven day journey with approximately 20 new staff to prepare them to start their ministry with the various branches of the ministry. What an honour to come alongside these dear folks! Pray that God confirms his call in their lives as the training approaches. Thank you for your partnership with us.

[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

Hello Church family! We are officially in the last month of our school year. Please pray for the teachers as we wrap up this year and write report cards. Please pray for our students as they say goodbye to friends and classmates for the summer. Please pray specifically for those students whose families are either moving away permanently or are leaving for Home Assignment. As well, please pray for our grade 12 students as most of them will be saying goodbye to Niger and their community here for an extended period of time as they enter post-secondary life and there are a lot of mixed emotions. For me personally, please continue to pray for perseverance as I'm wrapping up the school year and my Master's research project.

**MAY 16**

**Matt & Teresa Guynup**  
P2C (AIA) - Langley  
[guynups@hotmail.com](mailto:guynups@hotmail.com)

The summer is just ahead of us, and we are frantically preparing for our international trips. We have 2 teams going to SE Asia. We have 2 teams going to Mauritius, and one team going to Madagascar (the team I am leading). There are many steps to obtain passports and visas for everyone, and our team members each have support teams that they are trying to build. We all need people to help us cover the cost of getting there, and doing the ministry, and cover us in prayer while we are there. There is a small Athletes In Action team in Madagascar who have been working diligently, and they are so excited that we are coming to help them to take next steps. Pray for Corrine who leads the team, and has just had a baby. Pray for Pastor Alain who travels to do several basketball outreaches as well as lead a church. Pray that everyone on our team would be challenged by their incredible faithfulness in tough situations. Pray that the local ministry would be encouraged by our presence and help, and pray that the kingdom would grow, and God would be glorified!

Now that we have moved into our new building, it is exciting to have our new space. However a few technical slowdowns have taken place, and we are still waiting to take occupancy of the studio. Pray that the remaining events will go quickly as we have numerous shoots that we have delayed based on the studio being ready.
