JUNE 1

Ricky & Karen Sanchez
Multiply - Thailand
sierrasanchez@hotmail.com

God is moving in the hearts of our teens at the orphanage, ALH. A big group went on a mission trip to remote villages, where they shared their testimonies and handed out food with the local mayor to families living in poverty. Many of the elderly who received prayer those days, cried as they experienced the love of Jesus. Pray for the local churches to follow up with the families. We praise God for new opportunities with Cambodian migrants in our city as the borders open up. Pray for a Cambodian ministry leader to come partner with us. Praise God for the churches and orphanages we partner with in Cambodia, as they follow up with Cambodians we work with in Thailand. Please pray for Ricky and the 50 high school boys that he helps coach basketball to; that they will open their hearts to Jesus and come to church.

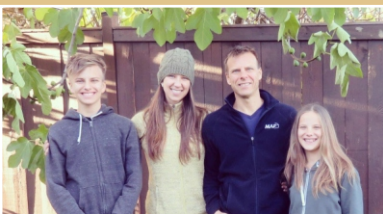

JUNE 2

Wendy Eros
Multiply - Japan
wendyerros@gmail.com

Praise the Lord, I am preparing to return to Japan on June 8th. I'm so excited to be able to reconnect with many students, pastors and friends. Please pray as I look for a new apartment and get settled in. Please also pray for my granddaughters who have both invited Jesus into their hearts...praise the Lord! Pray that through zoom/messenger that I will be able to connect often with them and read our Bibles together online. Thank you for your blessings in partnering with me through prayer, financial support and encouragement that enabled me to return to Nagoya once again!

JUNE 3

Chris & Julene Uganecz
MAF - Indonesia
cuganecz@maf.org

At the end of May Paeton graduated from high school! By the time you read this, we may already be in Canada for a summer furlough. We look forward to being with family (especially Tehya) this summer in Canada. Praise the LORD with us as Paeton and Makenna were baptized last weekend! Thank you for praying for us and faithfully supporting us!

JUNE 4

Gene & Grace Fox
Int'l Messengers - BC
grace@gracefox.com

Thank you for praying for Kim and Dave's housing needs. They're in the process of buying and will move on June 18. Pray for all details to work out. Continue praying for AlaaDeen as he prepares to emigrate. He'll arrive sometime between June - August. Pray that we'll find him a good living situation. Coastal Missions has worked on BC's coast for about 40 years. It is transferring its ship and land base to International Messengers Canada to continue doing similar ministry. All transfers will be complete in November. A woman named Catherine Buschhaus will direct it. She will graduate from the Canadian Coast Guard Academy this month. We're very excited about this new venture. Please pray for God to bring at least eight teammates to work alongside Catherine.

JUNE 5

Warren & Dorothy Janzen
SEND Int'l - Abbotsford
wjanzen@send.org

As of May, SEND has distributed over \$675,000USD to 200+ relief projects in Ukraine. These projects have impacted an estimated 130,000 people! SEND is partnering with churches, local institutions and individuals who are helping their communities and the thousands of internally displaced refugees moving across the country. Our work continues! Please pray for wisdom as we continue to respond to the crisis there. Pray as we figure out when and where our missionaries can return to Ukraine. Pray also for our workers who have been displaced from Russia as they consider new ministry opportunities.

JUNE 6

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

We know life is normalizing when visitors start arriving. Each visitor is important and has specific reasons for coming here or passing through here. It is refreshing for me. My prayer is that each person will be refreshed by being here.

One of my favourite activities is investing in young people. Praise God for the opportunities He seems to be bringing along. Some young people are interested in cross-cultural ministry. Others looking for mentoring or discipleship. All are looking for quality conversations. Please ask God to bless these conversations for His eternal purposes.

JUNE 7

Art & Eleanore Klassen
Pioneers - Abbotsford
art.klassen@telus.net

Although retired we continue to connect with students that we have met, some as long ago as 12 years ago. We correspond by a weekly "devotional", currently completing the book of Revelation, sent to over 60 people. Recently we have had personal contact with a former student at TWU. He came for lunch and then he opened up, speaking about a concern in his life. He has made a commitment to Jesus and is looking for a miracle. Another student contacts us frequently and we are praying for her situation. So life goes on. We appreciate your prayers.

JUNE 8

James & Carolanne Warkentin
P2C (Digital Strategies) - Langley
james.warkentin@p2c.com

Thank you for your continued prayer for us over the past months. Our most pressing current request is for the sale and purchase of a new home. We feel as though we have outgrown our smallish townhouse in Chilliwack and would really like to find somewhere with more room for both us and the kids. We are currently looking at places in Quesnel since that seems to be about the closest place we can afford to buy a larger house with a little land around it. We also like the area and have some family there. Please pray that God provides just the right place and that our townhouse will sell for enough to be able to afford that place.

JUNE 9

Matt & Teresa Guynup
P2C (AIA) - Langley
guynups@hotmail.com

I'm writing this update from Panama where we are connected with the local AiA ministry to help train new staff and volunteers and encourage and prepare other staff as they prepare to move to other countries and help launch new sports ministries. We are here with a soccer team and are engaging with AiA Panama in evangelism while we are here. It's been so cool to be here, and hear their stories and their heart for their country and world. Pray that we all stay healthy. Travel is so difficult now, and we are praying that everyone can return home at the end without complications. Pray for those who will continue ministry here long after we are gone. Pray for the members of our team that God will speak to them during this experience and prepare them for what he has for them next.

JUNE 10

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

Hello CHC family! It is nice to be back in Abbotsford for a little bit. I'm enjoying some "cooler" weather and spending time with my parents helping them move. I'll be heading back to Niger in July and then our next school year starts at the beginning of August. We are still in desperate need of some teachers for next year, specifically grade 5, elementary PE, and elementary learning resource/special ed. We also need some middle school and high school teachers. If you have ever thought about teaching abroad and would like to learn more, let me know!

JUNE 11

Mike & Karen Woodard
P2C (FamilyLife) - Langley
mike@familylifecanada.com

Thank you for praying for the Parenting Conference. We had 1725 households registered from 25 countries, mostly from Canada and the USA. We had 753 households actually accessing the material, with each household (on average) viewing 3 of the talks. Here's one comment I noticed: *"Parenting in this broken world is so confusing, and impossibly HARD WORK - but after watching these sessions I feel SO much more calm, and prepared to lead my children in the love of Jesus, all thanks to the incredible collaboration of everyone's efforts to get us these phenomenal resources. So, from the bottom of my heart, THANK YOU ALL!!!!"* We are working on developing two other resources: **Marriage Ministry Workshop** for developing a local church based marriage ministry and **4 Weeks to Spiritual Oneness** for couples.

JUNE 12

Richard & Becky Szmuto
P2C Films - Langley
richard.szmuto@p2c.com

Pray for us at P2C Films as we will be partnering with Youth for Christ and Young Life to produce a series of videos that will address LGBTQ+ issues. Obviously this needs to be treated with sensitivity and clarity. Pray that each interview we conduct will be honouring and that we will put together a series that will be an effective tool for many. Pray too that we will draw upon creativity for this project and that we maintain high production standards throughout. We plan to shoot this mid June.

JUNE 13

Stan & Annamaria Goertzen
TEAM - Italy
goertzens@gmail.com

Pray for us, together with our colleagues in Italy, as we run a two-week children's day camp for elementary and middle school children in Forli from June 13-24. Pray that the Gospel message will be heard and on view in our lives and that the Spirit will open hearts to receive the Good News and trust in the Saviour. Pray for a safe trip out on Wednesday, June 8th and for good health and strength to get everything set up for the camp to begin the following Monday.
