Wendy Eros

Multiply - Japan

As the days get warmer many people are travelling more around Japan. Restrictions have finally eased so please pray for more students to begin attending classes. Thank you for praying for Yamamoto sensei and his family. They are settling in well at Fujigaoka Christ Church. Pray that his chapel time messages will have an impact on the students. Pray for my third grandchild coming at the end of June. Please pray Courtney will have a smooth delivery and that both she and the baby will be healthy. Thank you for your prayers and support! I love how God brings us all together no matter where we are in the world!

Hello CHC Family!

We thank you for lifting us up in prayer! We are in a season of transition, and we appreciate your prayers for rest and renewal as we finish off things here and prepare to move. Yes, you heard right! There will be more to come in our next newsletter.

TEAM - Italy

We are looking forward to returning to Forlì, Italy on June 6 to help out with the children's day camp ministry which we began 20 years ago. This will be the final year of Summer Camp and we are thankful to be able to return and participate in the two weeks of the camp held at a local elementary school. We also ask your prayer for us as, together with TEAM of Canada and the Sending Collective, we are seeking to discern if there might be a part-time ministry in which we could serve while living here in Abbotsford.

Gene & Grace Fox

Int'l Messengers - British Columbia

grace@gracefox.com

We're grateful for the safe delivery of grandbaby #12. Sarah Joy was born on April 30, daughter to Matthew and Cheryl Fox.

Please pray for our marina neighbor Andrew as he undergoes chemotherapy for pancreatic cancer. He has moved from atheism to being open to spiritual conversations. Pray for his salvation. Pray for Sandra and Trevor—marina neighbors with whom we have a sweet friendship. He, too, professes atheism, but she shows a tenderness toward spiritual things. She is building me (Grace) a new website and has read all my 3,600 devotional blogs in the process. God is doing something very good in her life.

Please pray for staff needs: an office assistant, a successor for Gene, and seven men and women to join the Coastal Light ministry.

Hello Church family! I am so excited to be back with you for the month of June. Back in August, I was very uncertain about all the things that this school year would hold but God has carried me through. I look forward to resting and stocking up on school supplies while I am in BC. We still do not have a grade 5 teacher for Sahel so the current plan is that I will teach grade 4/5 again which means I get to loop with my grade 4 group from last year as they move into grade 5. Thank you very much for your prayers during this year. It has been a difficult year but I knew that I had a strong prayer support network continually lifting me up.

Power To Change - Langley

If you could get all Christians around the world to pray for 7 key things, what would they be? This is a question I'm working on right now. One of the hats I wear in Power to Change is "Prayer Igniter". Along with two others, I will represent Canada at a global conference in Cairo, Egypt this month. My vision for prayer has grown in recent years. I look at the challenge we are facing in every arena of society and am convicted that prayer is the starting point. Pray that God will ignite a unified movement of prayer that will circle the globe! Thank you for your partnership with us.

Greg & Becky Ouellette
Multiply - Abbotsford
grego@multiply.net

This past spring break Becky & I were in northern Thailand with Jon & Bonnie Esau. We were leading a team of grade 11&12 MEI students. Together with a group of Khmu believers, we served in several churches & Khmu villages. What a rich experience! Please pray for courage & boldness for the Khmu church in northern Thailand. Pray that their unsaved family members and neighbors would put their faith in Jesus and know the freedom & life he gives. Pray too for the MEI team. We

loved how they dove into learning and serving! This month some of them will be graduating. Pray that the things God planted in each team member would grow and equip them for what He has next for them. Amen!

JUNE 16

Warren & Dorothy Janzen

SEND Int'l - Abbotsford
wjanzen@send.org

Thank you for your prayers. We had excellent governance board meetings last month and are pressing ahead into all that God has for us. SEND continues to support believers and churches in Ukraine who are being the hands and feet of Jesus to those Ukrainians who are displaced and distraught from the war. Many are encountering Jesus for the first time and putting their hope in Him. Please pray for believers like Andre who is regularly driving critical supplies into the war zone and driving survivors out to safety. Thanks for upholding them in prayer.

Brent & Jody Nesbitt

P2C - Langley
brent.nesbitt@powertochange.org

We are just about three months into our new HQ building in Abbotsford, and still working through some of the adjustments, but it has been a good thing to be back together again after so long. And I am loving being able to bike to the office!

Not everyone is working in the office 5 days per week, as we mostly were prior to Covid. For instance, I am currently in the office 3-4 days per week, and 1-2 days at home. This has become the "new normal" for many workplaces after the pandemic, and we are still making adjustments to take advantage of the new dynamics this introduces.

As far as my role is concerned, we are about to launch a new "account transfers" app that I have been working on, which should be going live by the time you read this. Pray for a smooth transition, and that staff are blessed by the ease-of-use and functionality of the new app.

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

Some time ago we drove with Inga's English student Nicole to Kraków, Poland for her university entrance test. Nicole's parents had pre-booked a small apartment in Kraków for that weekend, expecting that they would be the ones to take her. However, we had the privilege of taking her. Nicole's parents appreciated it a lot, and wouldn't allow us to help pay for the accommodation. In the end, her mom also insisted on paying for gas and cross-border car insurance. The money we received was enough to cover most of our meals as well.

Richard & Becky Szmuto
P2C Films - Langley
richard.szmuto@p2c.com

One of our favourite partners to produce content for is Athletes In Action. Currently we are working on two projects with them. First we are producing a video for CFL players to become more involved in ministry using their platform as a professional athlete, second we are telling the story of a church who partners with AIA to conduct soccer camps where they have seen considerable progress with the local immigrant, Muslim population. Pray for both of these projects that they can be used to inspire to action, and further God's kingdom.
