Pray for AlaaDeen as he prepares to arrive sometime in July or August, whenever the Canadian government says. PTL – he will live with Gord and Julie Braun for 3-6 months. IM Canada is expanding to include a marine-based ministry on the coast. Pray for the director of this new ministry—Catherine Buschhaus. Ask God to provide her with the teammates and financial/prayer partners needed for this work. Our staff in Eastern Europe are serving Ukrainian refugees. The work is exhausting. Pray for their physical health and for additional funding to cover expenses such as gas to travel to and from the border, food, clothing, etc. Pray for God to provide us with a full-time office administrator. We're getting desperate for help as our ministry grows.

Thanks for your prayers! They are a powerful force in our world! Please pray for wisdom as we continue to respond to the crisis in Ukraine and its impact in Russia. Some of our missionaries have returned to parts of Ukraine and others are considering when to return. Pray also for our workers who have been displaced from Russia. Crisis usually brings with it new opportunity. We are following the Spirit into new ministry among the unreached in other parts of that region. Pray also for us as we travel to Detroit for meetings and the training of new missionaries for service. Pray too as I speak at a missions conference in a church in Kansas at the end of this month.

**Matt & Teresa Guynup**  
P2C (AIA) - Langley  
[guynups@hotmail.com](mailto:guynups@hotmail.com)

The global ministry division of Athletes In Action has now successfully finished our tours for this season (Panama, and Mauritius). We are so grateful that we were able to send teams again this year after 2 years of not having that option. Pray for ministry that continues in our partner countries. There are doors that our teams have helped to open and now local staff will work hard to make the most of those opportunities. Pray for wisdom as we look for ways we can assist other countries without being physically present. Pray for our team as we plan future trips, partnerships, and recruit participants for future tours. We want to be ambitious, but patient, and always sensitive to the leading of God's Spirit.

While it is drawing to a close, our time in Thailand has been very fulfilling. Even though there have been some physical challenges for Judy, it has been pure joy for both of us to be back in the Land of Smiles for over 7 weeks. We are especially pleased to see how God is blessing our ministry partnerships in Thailand. Most recently, we handed over some freshly translated Foundations4Living discipleship materials into each of our Thai partners' hands. Pray that this simple and clear discipleship tool will help propel our cause of bringing the Good News to the poor and oppressed in this land, where so few truly follow Jesus.

We hope to share with you in person this summer. Thank you for your prayers as we rest and plan towards future service in Papua, Indonesia, after our furlough.

Thank you for your prayers!! Praise the Lord I arrived safely in Nagoya, Japan on June 9th and am waiting to hear news about an apartment. Please pray I will be able to move in within the next two weeks. The Lord went before me the entire trip and opened doors that allowed me to fly to Nagoya the same day I arrived in Tokyo, without having to quarantine. I also received my resident card when I went through Tokyo immigration. It was such a blessing. I'm so grateful to all of you and am looking forward to sharing about my ministry as I settle back into Japanese life. If you would like to write to me, please do: [wendyerros@gmail.com](mailto:wendyerros@gmail.com). May the Lord continue to bless each of you.

**Mike & Karen Woodard**  
P2C (FamilyLife) - Langley  
[mike@familylifecanada.com](mailto:mike@familylifecanada.com)

As we step into July, we are delighted to report that the Marriage Ministry Workshop pilot project has gone well. We had the opportunity to present it twice online through zoom with multiple churches. We also used it in person with our CH Marriage Ministry team. Along the way we made a few edits and feel we have a good tool to help churches develop marriage ministries that will bring help and hope to more and more couples plus help build thriving churches. July will also be a sabbatical month for us. It marks 45 years on staff with Power to Change. The timing fits nicely with Mike's required break from serving on the elders council for two terms, six years at the end of June. Thank you for your partnership with us for the past 25 years!!

Remembering our heritage and celebrating God's goodness across the years is an important part of acknowledging God's fingerprints on our lives. July 13-17, I will join with hundreds of others as together, we celebrate God's faithfulness to Prairie College over the last century. Prairie is a small school with a world-wide impact. My Grandfather and Mr. Kirk could not have imagined what God would do. For me this celebration includes a heartfelt acknowledgement of the Godly heritage God gave me through my Parents and Grandparents. I praise God for His faithfulness and lovingkindness.

**JULY 19**

**Stan & Annamaria Goertzen**  
TEAM - Italy  
[goertzens@gmail.com](mailto:goertzens@gmail.com)

We were so happy to be back in Forlì, Italy in June for two weeks of Summer Camp, the children's day camp we began 19 years ago with the help of short term teams from Central Heights. Pray for the children and families who heard the gospel message and experienced life together over the two weeks of camp. Pray also for God's work in the high schoolers who helped out at camp and who have yet to receive God's gift of salvation. Stan is now back at work as chaplain at a senior's residence in White Rock while Annamaria remains in Italy until the 19th to complete the transition of the Path of Hope association to our colleagues. Pray for wisdom in this transition.

Praise the Lord, as it looks like our family has found a new doctor! Praise the Lord for Joseph's new job with Bethesda, caring for disabled people. Praise the Lord that our new Power to Change Headquarters building in Abbotsford is on schedule for us to move in in November.

Pray that God would provide some inspiring Christian friends in Anilee's life. Pray for our church, as we anticipate a new Lead Pastor coming this fall. Pray for the PTC IT Department, as we look to hire another person (or two?) to replace my manager (Mark), who recently left Power to Change.

**JULY 23**

**Kent & Inga Friesen**  
TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

Nadya is our neighbor and a refugee from Kharkiv that Inga has befriended. Nadya recently went back to see if her home is still there. The home is intact, but everything around it is destroyed, including their yard and fence. She just needed to see her home so that she could have closure. She says it's not safe to be there and the terrifying sounds of war are nonstop. She's back here safely now. On a practical note, salt and gasoline are among things that are difficult to find for purchase in our city these days. Other shortages, especially of wheat, are anticipated in the coming months. We are still doing well in life and ministry. God's provision and protection in answer to your prayers and ours are simply amazing!

**Richard & Becky Szmuto**  
P2C Films - Langley  
[richard.szmuto@p2c.com](mailto:richard.szmuto@p2c.com)

For the past four years, we were used to saying that we will be moving our headquarters in about a year. Well that year has finally arrived! We should be moving our office building, which includes our studio, this fall/winter. For us in P2C films, we have many things to consider - including rescheduling our shoots, strategizing our tear down/rebuild and evaluating equipment issues as well. Pray that we can do all this and still be a service for our P2C ministries as well.

Pray for Arun & Anjana and their boys as they adjust to living in Canada. Some of you may already know about this couple that has come to help with outreach to the South Asian community in the Fraser Valley. They have depth of maturity and lots of ministry experience. At the same time they are new to Canada and there is much to take in and learn. A number of us at Multiply are helping them land well and are orienting them to things unique to living and serving here. Pray we would serve them well! Lord, we thank you that you are with this family and that '...Your hand will guide them, Your right hand WILL hold them fast!' Psalm 139:9-10.
