July 2023

JULY 1

CANADA DAY
Pray for Canada

Pray for our elected leaders - for wisdom, discernment, integrity, grace. Pray that they would experience physical, emotional and spiritual well being and would have the courage to do what is right. Pray that Canada would be a nation that demonstrates righteousness, justice, compassion and generosity. Pray that the Holy Spirit would bring renewal across Canada.

JULY 2

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

On July 20 the two young people I work with on the LifeShare Connections team and I will be presenting the LifeShare concept to a large group of SIMers from around the world. Please pray that we communicate clearly on this zoom call. We want young people who want someone older to walk alongside of them to ask for a LifeShare Connection. AND we want older SIMers who could become alongside people, to grasp the eternal significance of this kind of intergenerational relationship both for themselves and for the next generation. Also please pray for an unexpected connection God has given me with a young person living in Tasmania. I know she is not a believer, but she has invited me to walk alongside of her as she makes choices that will allow her to live a more purposeful life. May God's heart for her be visible as we talk together! Thank you for praying!

JULY 3

Warren & Dorothy Janzen

SEND Int'l - Abbotsford
wjanzen@send.org

SEND is focusing on opening a new work in Eastern Germany. A 2023 poll found this area to be only 0.3% evangelical Christian. New Age, the occult, Satanism, and new forms of the old pagan religions all gain followers, but none grow as quickly as the group claiming "no religion". Crime, depression, and suicide rates are increasing as well, and there is little to no gospel presence. By God's grace, we can change that. Please pray with us as we determine where to launch a team, with whom to partner, and what should be our initial strategies for engaging the unreached in this area. Thank you for your ongoing prayers for us and for this important work.

Matt & Teresa Guynup

P2C (AIA) - Langley

The Athletes In Action global missions department is busy right now with tours that have happened to Mauritius and SE Asia having just wrapped up, and two other tours currently happening. I'm writing from Madagascar where we have a basketball team partnering with the AIA ministry here to play some games as a way to open doors for future ministry. The team here is super excited because we have been able to make a connection and open a door for them with the national team. We still have about a week of ministry so please pray for health (some sickness and one concussion on our team). Pray for the teams that we have been sharing the gospel with. Pray that the seed will grow deep roots and bear fruit. Pray for our travel.

Thank you!

JULY 7

Ricky & Karen Sanchez
YWAM - Thailand
sierrasanchez@hotmail.com

Praise God for the 22 college basketball athletes, men and women, who are coming to Thailand and Cambodia on our Global Sports Mission trip this summer. Please pray that each of them would experience the power of God in new ways as they step out of their comfort zones to serve Him. Please pray for all the participants in Thailand and Cambodia who will hear the gospel for the first time, pray for many people to come to faith! Please pray for the 2 athletes who are not believers on the trip. And pray for the local churches we are helping that they will be encouraged by the team and the exposure to new people in the community.

Gene & Grace Fox
Int'l Messengers - British Columbia
grace@gracefox.com

We're grateful for the safe delivery of grandbaby #13. Isabelle Grace was born in Prince George on June 6, daughter to Kim and David Long. Praise God—we have hired an office administrator! Pray for a smooth transition. Staff needs: a successor for Gene; seven men and women to join the Coastal Light ministry. Ask God to draw unbelievers to Himself through IM's evangelistic camps in the Middle East and Eastern Europe this summer. Pray for our marina neighbors' salvation: Andrew (undergoing chemotherapy for pancreatic cancer), Sandra and Trevor, Eric, Jayden, Fred, Bryan and Laurie. Ask God to fill Grace's heart and mind with His words as she writes her next book under contract with Tyndale House Publishers. The manuscript is due August 31st.

JULY 11

Mike & Karen Woodard
Power To Change - Langley
mike@familylifecanada.com

In July, we will be spending two weeks in Michigan visiting family, speaking at supporting churches and visiting friends. Karen's mom has just moved into an extended care facility. It will be good to see this new living situation and spend time with her. Our siblings all live in Michigan. We will also have the opportunity to attend our 50th high school reunion! Pray that God would guide us and use as a blessing in each of these opportunities.

JULY 12

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

Hello Church family! It has been so nice to be back with you again for June and July. I have really enjoyed seeing all your smiling faces and talking with you. It is always a great encouragement to me to hear that you are praying for me. I'm going back to Niger on July 12. Please pray for safety and smooth connections while I'm traveling. I will be teaching grade 4/5 again next year and continuing as the elementary head teacher. Please pray for organization and clarity as I think and plan for our school start date, August 16. We have an urgent need for a grade 1 teacher. Please pray that God will bring just the right person to help us during this next school year.

JULY 13

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

Our time in Canada so far has been very good. The road trip we had hoped to take did not work out, which left us an additional few weeks to spend with extended family and friends in Manitoba. We will be in BC for most of July, arriving in Abbotsford on June 27th and leaving back for Manitoba on July 22nd. We'll return to Ukraine from Manitoba on August 27th. Please pray for us as we seek to raise some extra regular financial support. The war has taken a toll on the economy in Ukraine. Food, gasoline, utilities, etc. are much more expensive and prices continue to climb. Some of our supporters have also had to discontinue their support over the years.

Multiply - Abbotsford

Lots happens in a year! This month we are taking a few days to get away to REST, CELEBRATE another anniversary, REFLECT on the past year, and LISTEN to what God wants to say to us about the year ahead. Jesus, help us to see what you have been teaching us and help us to align ourselves with your heart. Greg is planning a trip to Ontario the weekend of July 14th to connect with the Multiply First Nations prayer team. He also hopes to visit some of our workers who serve and live among the First Nations peoples of the Georgian Bay area of ON. Holy Spirit, help him to follow your lead and to be an encouragement to the workers there. Thank you for praying!

JULY 16

Brent & Jody Nesbitt
P2C - Langley
brent.nesbitt@powertochange.org

Thank you for your prayers. God is good. Praise the Lord, last month we successfully launched the financial app I've been working on for the better part of the past year, and we have returned to the development of our Budgeting app, which had been put on hold in the fall. Praise the Lord that Joseph was accepted to the nursing program at Trinity Western (rather than UFV). Now we need to trust the Lord for the finances, as it is about three times more expensive to go there! Anilee has been put on a wait-list for YWAM in Kona, as they are already full. Please pray for her as she makes alternative plans for the fall. Meanwhile she plans to work at Camp Stillwood for the summer. Also, please pray for both Jody and Joseph as they pursue their class 4 driver's licenses.

Praise God for four who were baptized last month in our Rim Khan Fellowship church plant. Pray for Nui and Aire being mentored to pastor this new group of new believers, and for their son in University who is a new believer (one of those recently baptized.) For continued favour in this village as we encourage this group each week and go with them to visit family and neighbors, sharing their testimonies and the good news of Jesus Christ. It is a strongly Buddhist community and there are many spiritual battles but we are seeing answered prayers, miracles and much fruit. Pray for the three day kids camp we are preparing for early July in this same village. Pray for good weather, the kids coming, the program we are planning and for many more relationships to be built with families in this village.

Multiply - Japan

Please continue to pray for the movie times at both churches. Last month we had 14 people at Komaki Hope Chapel and 16 at Fujigoaka Christ Church. One former student, Mitsuko, came and brought a friend to Komaki and then returned to class on June 6th...praise the Lord. As well, I ran into a former Toyota student, Mariko, in a rhododendron park while on a bus trip. I praise the Lord for how He orchestrates these timely meetings. Pray for Mariko as she has stage 1 lung cancer. Pray for one of the seniors, Masa san, as he may have pancreatic cancer. Pray for wisdom for the doctors and peace for Masa san. Thank you once again for your support and prayers.

Rob & Judy Griffioen
GNI - Canada
robandjudy2thai@gmail.com

Praise items: Through our partnership with Sion & Apem in Shan State, Myanmar, several unreached villages are being impacted with the Gospel of Jesus. Our new boys' dormitory is also now complete. All of our students in Thailand and Myanmar are now back in elementary school, high-school, Bible-school or university. This brings huge life-changing opportunities for these once at-risk kids. Praise God that Judy's healing from the constant and intense pain of CRPS remains.

Prayer requests: A special request for God's supply to build a "house of prayer" for the new believers in Naung Bar village, Myanmar (approximately \$10,000 CAD).

For wisdom as we develop sustainable ministry overseas while providing quality care for Lillian (Judy's mom) here in Abbotsford.

Thank you for your prayers and faithful support.

Little "Joy," who was about to be trafficked last August, is being kept safe and now loves going to school. Thank you for helping to make this happen. - Rob & Judy

Richard & Becky Szmuto
P2C Films - Langley

After many delays we are about to become active in our new studio, pray that we have and exhibit patience as the process continues. We are also fully active in producing videos for our upcoming staff conference; pray that these videos will be inspiring and further God's kingdom. Finally we are working on creating an evangelistic series that will hopefully invigorate the Christian Church to see evangelism as a product of their daily life, pray that we be creative and clear in our communication in this series.
