Praise God for 'Jewel', aged 14. She ran away from our orphanage in September, to an uncle living in Pattaya, the worst red-light district in Thailand. After 9 months away, she reached out to us recently and begged us to convince her uncle to let her come back, telling us that she was being forced into prostitution to pay for her food. Jewel is back with us now, and immediately she cried out to Jesus on her first day back and asked Him to make her new again, forgive her and start fresh. Please pray for Jewel, Pare and Briew as they pray and dream about how God wants to use them. Praise God for a smooth transition for our family and ministry from Multiply to YWAM Thailand. We are excited about the new doors and opportunities for our Cambodian ministry and recruiting new missionaries to career missions.

Alaadeen, our Syrian-born co-worker serving in Beirut, will arrive on July 19th. He will live with us on the boat for the first six days, and then Julie and Gord Braun will take him for the last week of July. He'll return to us for the first week of August when the Brauns take vacation. Alaadeen is currently feeling overwhelmed due to hosting an evangelistic family camp for a week prior to his departure, saying goodbye to everything familiar, and coming to an unknown place. Please pray for his adjustment, especially when he sees western affluence compared to the poverty he's known.

Continue praying for a full-time office administrator. We're desperate for help.

God is faithful and we see it everyday. Pa Dong who had to leave the safety and fellowship of Naomi House is now starting a cell group in her new neighborhood. She is faithfully witnessing to her neighbors and even though the move was hard she recognizes that God is asking her to be salt and light in her location. Please pray for many to come to know Jesus through her boldness and faithfulness. Praise God the Juvenile Prison reopened this month after being closed for 2 years. We are able to go in 3 days a week and already we are seeing fruit. Pray for the Skills Training team that God will use us to share His love and truth as we equip them to find work when they are released.

SIM - Abbotsford  
[ruth.maxwell@sim.org](mailto:ruth.maxwell@sim.org)

I'm once again grateful for an online ministry that continues to be fruitful. As others re-discover and/or redefine "normal", I anticipated the occasional international trip. However, the current chaos in travel isn't going away soon. So, I'm enjoying a more restful and personally renewing schedule during the summer. The change of pace has given me time to think differently about ministry in this on-going evolving scenario. Over the last 2 years I had contact with many people. I haven't kept track of numbers because it isn't my style. But now, I'm asking God to bring to mind each one that He wants me to circle back and follow up with. Already I'm seeing God's hand in this and sensing the fruitfulness of this commitment.

Our new office building is on track for us to move in in December (PTL), and our current building is undergoing some major renovations around us, as the new owners are reconfiguring it to have a number of leasable spaces in it. This makes it difficult to work in the current building amidst all of the demolition / noise / reconfiguration. So pray for our staff who are unable to work from home, as the next few months may be frustrating. Pray for Anilee, as she is spending the entire summer as a counsellor at Camp Stillwood. Pray that she would learn to depend on God for strength, and establish some lifelong devotional patterns while she is there. Also, we have just appointed a new Executive Director of Operations (Heather Campbell), who the IT department will report directly to. Please pray for this transition to go smoothly.

**Megan Rintoul**

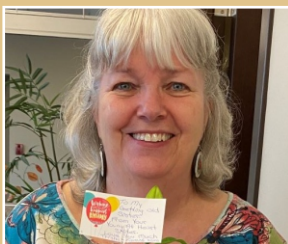

SIM - Bolivia

[mkrintoul@gmail.com](mailto:mkrintoul@gmail.com)

We are halfway through the school year here at Carachipampa Christian School and we have been blessed to have school in person for most of that time. Please pray for health for staff, students and their families so that we can continue to meet face-to-face and build relationships and share the love of Jesus in ways that are not possible online. Homeroom devotions and chapel talks are more effective in person since students are not fighting the distractions of home and computer. Pray for energy and flexibility when we do have to shift to virtual learning. At home, my adopted son Matias and I continue to adjust and find rhythms of life that work for us as a family. Please pray for wisdom for me in parenting Matias and in building trust and connection.

Pray for former students (Bryan and Carolina Diaz from Cali, Colombia and Mathias and Yadira Epp from Brazil and Mexico) that were trained for mission work while at MTC in Mexico as they answer God's call to go to Central Asia and Angola with the good news. They have been taking additional training, mobilizing churches, and raising support in their respective countries for the past few years. They need more partners to help them get out to their place of service.

TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

The other day I got stopped by local police. I hadn't done anything wrong (it's true!) but the authorities are looking for men to conscript. The officer who stopped me asked to see my documents. When he saw that I was not Ukrainian, he immediately handed the documents back to me and let me go. It's a sad reality that a lot of men are avoiding driving and even just generally going out into public for fear of conscription. With some exceptions, Ukrainian men ages 18 - 60 are not allowed to leave the country. We heard a report recently which indicates that as of October, 2022, women ages 18 - 60 will also not be allowed to leave. As the war drags on, more bodies are needed. Please pray.

Multiply - Abbotsford

August is often a time when many of us take time to rest and refresh. Our family will be taking some time to do that this month. As you read this please take some time to pray for Max & Anya, and other leaders in the Ukrainian MB conference. They continue to serve internally displaced people in the midst of very unstable times. Is REST possible in these circumstances? Thank you Jesus that you have said that it is. We come to you and ask that you would give them the REST and REFRESHING that you yourself experienced in the midst of your suffering. Matt 11:28-29, Psalm 46.

SEND Int'l - Abbotsford  
[wjanzen@send.org](mailto:wjanzen@send.org)

Praise the Lord for 12 new SEND missionaries who received their final training last month in preparation for their field departures. It was great to worship with them and study together what is necessary to live and work in a cross cultural setting. Pray as they now transition into their new assignments. August is filled with camp ministries around the world. Please pray for meaningful connections with campers and that they will encounter the power of the gospel. Remember to pray for the children still in Ukraine whose normal routines are disrupted and who are wondering what the future holds. Please continue to pray for peace to return to that region. Thank you for your prayers!

P2C Films - Langley  
[richard.szmuto@p2c.com](mailto:richard.szmuto@p2c.com)

Recently I have been contacted by the Jesus Film Project in the U.S. asking if I want to be involved in recording the Jesus Film again.

It was quite a surprise but I am pondering and praying about it. It may bring significant changes to our ministry or it may be something that fits in with the film work I do here in Canada. Pray that we will get clarity and follow God's lead on this.

Cycling 4 Water Update: You may remember that last summer the NWT was closed, which altered our starting point from the shore of the Arctic Ocean to the shore of the Yukon River in Dawson City, Yukon. This August, three of our team will head up to Dawson City to "finish the task" by cycling the Dempster Hwy that leads from Dawson City to Tuktoyaktuk on the Arctic Ocean. The Dempster Hwy is a 920 Km gravel road. We hope to dip our tires in the Arctic Ocean on August 26th to finish the Sea to Sea to Sea Cycling 4 Water ride! Our goal is to continue to raise awareness and to add 7 wells to our total, bringing our total for this epic journey to 70 wells! The energizing thought that people in 70 villages will have their lives transformed through having access to clean water and the opportunity to hear about Living Water will encourage us over all that gravel to the Arctic Ocean!

We hope to share our stories from the past term at church with you soon. Please be praying for our furlough and preparations for the next chapter, specifically for Paeton as he settles into life in Canada and begins Bible College this Fall
