AUG 1

**Ricky & Karen Sanchez**  
YWAM - Thailand  
[sierrasanchez@hotmail.com](mailto:sierrasanchez@hotmail.com)

Praise God for the 22 basketball athletes from Canada and America who are joining us in Thailand and Cambodia right now. Please pray for this Global Sports Mission team, to have favor in each village and university we play and preach in, and for God to use our teams to bring many people to salvation in Christ. Please pray for the local pastors we are partnering with, that they would follow up on the new seekers and believers, and for each life to be disciplined into maturity in Christ. Please pray for Mercy Village and Rescue Cambodia in Phnom Penh as they host us, to gain favor with their local officials. Also pray for some of the athletes to commit themselves to overseas mission service.

AUG 2

**Gene & Grace Fox**  
Int'l Messengers - British Columbia  
[grace@gracefox.com](mailto:grace@gracefox.com)

Our new office administrator quit after seven days on the job, so we returned to square #1. Gene contacted a woman who had expressed interest in the job last winter but was undergoing chemotherapy at the time. She is still interested and has promised to submit an application. Pray for a smooth transition....again. Staff needs: a successor for Gene; seven staff to join the Coastal Light ministry. Ask God to save many through IM's evangelistic camps in the Middle East and Eastern Europe this summer. Pray for our neighbors' salvation: Andrew (undergoing chemotherapy for pancreatic cancer), Sandra and Trevor, Eric, Jayden, Fred, Bryan and Laurie.

Ask God to fill Grace's heart and mind with His words as she writes her next book under contract. The manuscript is due August 31st.

**AUG 3**

**Wendy Eros**  
Multiply - Japan  
[wendyeros@gmail.com](mailto:wendyeros@gmail.com)

Because August is so hot here in Nagoya, and there are Japanese holidays, there are no classes during this month. In July we had 4 new adult students visit Komaki Hope Chapel and they said they will all come back in September. Please pray they, and all of the other students, will return so we can continue ministering to them through Chapel time.

I also want to let you know I had a grandson born to my oldest son, Trevor, and his fiancée, Courtney. Asher Elvin David Eros arrived July 4th at 12:48am weighing 7lbs 3oz. Please pray for him to grow up learning to love the Lord like his big sisters, Arianna and Payton do.

**AUG 4**

**Warren & Dorothy Janzen**  
SEND Int'l - Abbotsford  
[wjanzen@send.org](mailto:wjanzen@send.org)

This month holds many special summer outreaches across the SEND world. Summer camps, adventure camping/hiking, special language lessons (English, German, Spanish, etc.), specific services to families with young children. Please pray that through these events participants will encounter healing from the past, joy in the present and hope for the future through Jesus. Please continue to pray for an end to the war in Ukraine.

**AUG 5**

**Ruth Maxwell**  
SIM - Abbotsford  
[ruth.maxwell@sim.org](mailto:ruth.maxwell@sim.org)

Thank you for praying. During the month of August, I'm asking God to give me moments of quiet and refreshing that will prepare me for the months ahead. July ended up having more visitors in it than I had anticipated. I'm thankful for each one. They were each a blessing to me.

**Rob & Judy Griffioen**  
GNI - Canada  
[robandjudy2thai@gmail.com](mailto:robandjudy2thai@gmail.com)

We are mobilizing a short-term team to travel to Thailand with us in mid-November. Please pray for God's blessing as we do this and connect with other supporters and churches in the region. On the international front, our ministry provides full refuge for 33 children, keeping them safe from human trafficking in Myanmar and Thailand. Please pray for God's provision for this and that these children will grow deep in relationship with Jesus. In eastern Myanmar (through GNI support) Sion's partners are boldly spreading the gospel and numerous families have received Jesus. Please pray for the new believers who were recently baptized, and for many more to follow Jesus. Thank you for your partnership.

TeachBeyond - Ukraine

[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

Recently I received an email from friends in the US. Their friends who live and serve near Berlin, Germany are putting together an early-August Christian camp in Germany for the widows and children of Ukrainian soldiers who have been killed in the war. They hope to find children's workers and counsellors in Ukraine who will also join the camp. We have connected the people in Germany with our pastor in Ukraine. A team from the church just returned to Ukraine from running a similar camp in Norway. It seems that the church team and what they have already been doing could be a really good fit to meet the needs related to this camp in Germany. It is exciting to think about how all of this might unfold. Praise God!

**Richard & Becky Szmuto**

P2C Films - Langley  
[richard.szmuto@p2c.com](mailto:richard.szmuto@p2c.com)

Last month, my main colleague was let go due to financial reasons, this left me with two thoughts. First, I appreciate your prayers as my workload has literally doubled because of this, we were a two man production team and now that team is me. So pray for me especially for the next few months as I adjust. Secondly, the reason my colleague is gone is due to a deterioration of his personal support; I am so grateful for the support team that I have and this is a reminder of how vital support partners are for my ministry, so thank you Central Heights for all that you do for us!

**AUG 15**

**Greg & Becky Ouellette**

Multiply - Abbotsford  
[grego@multiply.net](mailto:grego@multiply.net)

Thank you for praying for us! Your prayers are making a difference. This month we invite you to pray for 10 people who are coming to Abbotsford for 4 weeks of training. All of them will be involved in cross-cultural long-term mission. They won't arrive till September, but we ask that you pray for them in advance. Pray that God's purposes would be accomplished in each of their lives, that they'd be rooted in his love, and that the peace of Christ would guard their hearts and minds as they prepare for this time. Thank you!

**AUG 16**

**Amanda Doerksen**

SIM - Niger  
[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

Thanks for praying for my travels as I returned to Niger in July. I've had a few weeks to adjust back to life here and to start work on school preparations. We have about a week of teacher/staff orientation and then school will start on August 16. Please pray for new families as they are adjusting to living in Niger and starting ministry in the city or with our school. Please pray for new students, that they will be able to make friends quickly in their classes and that they will find community at Sahel. Please pray for returning families or teachers that are traveling back for the start of school, pray that they will have smooth flights and arrive with all their luggage.

**James & Carolanne Warkentin**  
P2C (Digital Strategies) - Langley  
[james.warkentin@p2c.com](mailto:james.warkentin@p2c.com)

Thank you for your ongoing prayer for this ministry and for me and my family. In my last update I mentioned that I would be developing a live-chat system for our ministry. This has now been built and we are in the process of testing it and rolling it out to some select partners who are helping us with the testing. We have already had some amazing stories and conversations come out from its use. Pray that God would continue to give us effectiveness in reaching more people with the gospel.

Pray for the 12 graduates from the Matthew Training Center in Guadalajara, MX as they return home (3 Colombians and 9 Mexicans). May they find victory over temptations, and joy in serving the Lord and doing his will as they discern that with their home church and mentors.

**AUG 20**

**Our Students**

Pray for our students (preschool through university) who are preparing to go back to school. Pray that during this school year they will grow closer to God and shine his light where ever they go.

**AUG 21**

**Brent & Jody Nesbitt**

P2C - Langley

[brent.nesbitt@powertochange.org](mailto:brent.nesbitt@powertochange.org)

Praise the Lord for the beautiful summer weather! I have been taking advantage of it by riding my bike to work most days, and keeping my heart in shape. Anilee graduated from grade 12 in June and plans to go to YWAM in Maui in September. Meanwhile she is spending the summer as a leader at Camp Stillwood. Jody passed her Class 4 driver's test in June, which enables her to get a better position with Bethesda. Joseph plans to enter the Nursing program at Trinity Western University in the fall. At the office I am deep in the midst of two projects, "Billing Machine", and replacing our Budgeting system. Both of these projects are being done as a team, where I am only responsible for the website that our staff interacts with, while my teammates are responsible for the database and server-side aspects of the projects. The hope is that we will end up with several of us who know enough about how the systems work to support them in the future (rather than just myself, which has been the case up until now). Our Staff Conference will be taking place in August. Unfortunately I will not be attending this year, as I am one of the team remaining at HQ to "hold down the fort". Pray for the spiritual encouragement of our staff as they attend this event, worship and pray together, and seek God's direction for their ministries in the coming year.
