SEPT 1

**Chris & Julene Uganecz**

[cuganecz@maf.org](mailto:cuganecz@maf.org)

It is good to be back in Canada and connect with family!

Thank you for your faithful support and prayers!

Please be praying with us for:

- Rest and refreshment needed before returning to Papua, Indonesia in September
- Monthly financial supporters to join our team
- Renters for our townhouse
- Paeton as he adjusts to living in Canada
- Julene as she begins teaching Papuan students online this month

SEPT 2

**Ricky & Karen Sanchez**  
Multiply - Thailand  
[sierrasanchez@hotmail.com](mailto:sierrasanchez@hotmail.com)

Praise God for His continued provision, healings and guidance! Last month, 2 of our young babies tested negative for HIV! We were able to place one of our teen boys in our 'Family Based Care' foster program we have tried for years to establish here. Pray for Pastor Knot, as he serves this way. Praise God we found a relative of one of the children in the orphanage, and are trying to reunite them. Our Thai church, Zion MB, is praying about where to plant a new church. We are thankful for a group from ALH with hearts to church plant who are praying for God to lead them to a community in need. Please pray for 'Den', our guitar teacher at ALH to give his life to Jesus, and for Lune, the groundskeeper, to open his heart to the gospel. Thanks for your prayers and support!

Multiply - Japan  
[wendyeros@gmail.com](mailto:wendyeros@gmail.com)

Greetings from a very hot and humid Meito-ku, Japan. Thank you for praying for opportunities to meet with former students. 2-3 times/week I am seeing students and renewing relationships. It's been busy but very rewarding. Please pray many of them will return to classes in September. Pray also as I continue with physio on my knees at Yoshida Hospital in Toyota City. It's about an hour from where I live but they know me there and will do their best to help me gain more mobility. I was so blessed to get a used car. Please pray for Japan as Covid cases are spiralling higher than they've ever been and pray that I will remain in good health. Thank you for your prayers, support and encouragement. Please write and let me know how you are doing or if there is something you would like prayers for (wendyeros@gmail.com).

SEPT 7

**Amanda Doerksen**

SIM - Niger

[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

August has flown by and it has been a very intense month. Because we are short staffed this year, we are all doing more jobs than normal. Please pray for rest as the start of this school year has been quite overwhelming for me. Please also pray for a clear mind and an increased ability to focus as I have had to take on a lot of unexpected responsibilities this year and I'm struggling to get everything done. We started school on August 11 and I've really been enjoying getting to know my class. It has been neat to see how my students and I are building a community in our room and to see the new students being welcomed by the returning students. Please continue praying for more staff and teachers at Sahel. If you have ever thought about teaching abroad and would like to learn more, let me know!

**Gene & Grace Fox**  
Int'l Messengers - British Columbia  
[grace@gracefox.com](mailto:grace@gracefox.com)

Everything is new for Alaadeen, and culture shock is real. Pray that he will develop a sense of purpose for being here and enjoy English classes that begin this month. Pray that he will develop good friendships in his age group (he's 29). Continue praying for an office administrator, and for a successor for Gene. Pray for Grace as she speaks at a women's conference in Maryland September 15-18. May her words be Holy Spirit empowered and change lives. Pray the same as she speaks at a writers' conference in Edmonton September 22-24. Gene and Grace will fly to Iowa September 28 - October 3 to attend IM's first-ever North American staff conference. Pray that we will be an encouragement to our staff, many of whom will attend while on home assignment.

**SEPT 14**

**Doug & Cindy Rintoul**  
Wycliffe Int/CanIL - Langley  
[doug-cindy\\_rintoul@sil.org](mailto:doug-cindy_rintoul@sil.org)

Our summer session at the CanIL has just ended. It was a delight to finally have face to face interactions with students again after two years of being mostly online. It was refreshing to see the passion of students desiring to follow God's calling into Bible translation. Since the pandemic, we have seen a large increase in requests to be able to take our courses remotely. One of the hallmarks of CanIL is the development of community while students are at CanIL. It is much more difficult to do this in the online context. Pray with us as we try to balance our desire to breathe into the students' lives more than just academics and the need for many to take linguistic training who cannot be present at CanIL.

**SEPT 15**

**Kent & Inga Friesen**  
TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

Belarus as well has begun firing missiles on Ukraine. Russian troops have taken some Ukrainian territory and are now launching missiles from within Ukraine. These two developments mean that western Ukraine is now within range of attack. Our area has been targeted and under warning more frequently the last few weeks, but thus far nothing has gotten through. Thankfully strikes have been thwarted, but it's uncertain how long our city will remain untouched.

A report came out recently indicating that North Korea is willing to send 100,000 (one hundred thousand) troops to assist Russian president Putin in the attack against Ukraine. It's difficult to process and understand which reports are factual, and which ones are false information and propaganda released with intent to manipulate reaction and response to the situation.

**SEPT 18**

**Ruth Maxwell**  
SIM - Abbotsford  
[ruth.maxwell@sim.org](mailto:ruth.maxwell@sim.org)

Definitely the quiet pace of summer is over. Calls are coming in for regular zoom calls and there are more requests to respond to. I'm also looking forward to SIM Canada's new Executive Director coming to the Vancouver area to meet up with SIMers. There will be other guests during September as well. The slower pace of summer was good for me. I feel renewed and refreshed. Thank you for praying!!

**SEPT 19**

**Brent & Jody Nesbitt**

P2C - Langley

[brent.nesbitt@powertochange.org](mailto:brent.nesbitt@powertochange.org)

Thank you for your prayers. As I write this I am freshly back from our Power to Change Staff Conference in Whistler. This was the first Staff Conference since our new President (Darren Young) took over leadership of the organization, and was the occasion for him to share some of his vision with the rest of the organization. One of the big things that came through is that he wants to become a resourcing "hub" for Christians and churches across Canada, so we can train and equip more Believers for outreach. We were also introduced to our new Executive Director of Operations (Heather Campbell), who will be in charge of the IT department (and HR, and Finance, etc) beginning in mid-September. Please pray for this transition to go well.

Anilee is wrapping up her final two weeks of being a camp counselor at Camp Stillwood, and Joseph is hoping to be accepted into the nursing program at UFV for the January semester.

**Trever & Joan Godard**

Multiply - BC

[trevergodard@gmail.com](mailto:trevergodard@gmail.com)

The Matthew Training Center in Guadalajara Mexico is registered as a non-profit organization under Mexican law, but it also works closely with Multiply and North American MB churches. I (Trever Godard) am the chair of the board, and we are now looking for one more board member so please pray with us as we desire to add another Latino to our board - someone who has a vision for Kingdom work, disciple making of the nations, and church planting. We presently have 5 Latinos and 6 North Americans.

**SEPT 23**

**Richard & Becky Szmuto**  
P2C Films - Langley  
[richard.szmuto@p2c.com](mailto:richard.szmuto@p2c.com)

Time is coming soon for us to move our studio, along with the rest of our building to our Abbotsford site. It's a big job that allows for plenty to go wrong so please pray that the disassembly and reassembly goes well and will be thorough. Pray too that we schedule appropriately and that we can manage our work during the time when we will be without our studio.

**Greg & Becky Ouellette**  
Multiply - Abbotsford  
[grego@multiply.net](mailto:grego@multiply.net)

Thank you for praying! Here are a few things to pray for today: Pray for Arun & Anjana Passi as they connect with many of their partner churches in the area this fall. Pray their words and steps would be directed by the Holy Spirit. Pray for a move of God's Spirit among the South Asian communities here in the Fraser Valley. Pray this specifically for Adam, a Persian man who I am getting to know in my neighborhood. Later this month a couple of us on our training team will be attending the Missio Nexus conference specifically to discuss with other trainers how to do online training well. Pray we'd have some good connections and direction for the future. Pray for our youngest son, Silas. On the 28th he will be returning to YWAM to participate in a leadership training school. He is interested in learning how to lead others in YWAMs Discipleship Training School program.
