OCTOBER 2022

OCT 1

Gene & Grace Fox

Int'l Messengers - British Columbia
grace@gracefox.com

Pray for our displaced Ukrainian staff. Those who had to leave their ministries are becoming discouraged as the war continues. They are feeling very unsettled and wondering what God has for them in the future. Pray for the safety of our Ukrainian staff who are still in place. One young couple doing youth ministry look forward to the birth of their first child in early October. Two of our Ukrainian staff families have moved to Canada. One settled north of Winnipeg and the other in Halifax. Pray that God will help them adjust and find new ministries. Pray for our staff who are ministering in Eastern European countries. Many are serving Ukrainian refugees and growing weary in the long haul. Pray for funding so they can continue meeting the needs.

Amanda Doerksen

SIM - Niger

Thanks for praying for the start of our school year. It has been really encouraging to see how my two grades are starting to work together more and aren't always looking for people in their same grade. Our first Bible unit was about the covenants and we had some really neat discussions about the promises of God and the responsibilities of people. Please continue to pray for all the teachers and staff as we have spiritual discussions, some planned and some spur-of-the-moment, with our students. Pray that we can continually point them to Christ with both our words and our actions. As we enter October we are finishing up our first quarter of school and are looking forward to a week of break. Pray for rest and rejuvenation during this time.

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

Thank you for praying. Prayer partners are some of my favourite people! Recently I've prayed God would make visible things that are hidden and need to be revealed. And that He would make invisible things that need to be hidden or not allowed to take up my attention. This prayer applies to complicated situations which I'm advising on. It applies to countries where security is an issue. And it applies to individuals I am discipling who are committed to continual growth. This prayer gives me confidence that God is in control and accomplishing his plan.

Classes have been going well so far and we have 7 new students at Komaki Hope Chapel and 10 new students at Fujigaoka Christ Church. Please pray for these students as most of them are hearing about Jesus for the first time. I have 9 scheduled classes on Tuesday and 8 on Thursday so the days are long. Please pray for energy for me. Pray too as I continue with physio on my knees. I wish you and your families a very Happy Thanksgiving. We have so much to be thankful for and I'm thankful for all of you and your prayers and support.

It is a season of change! Tehya and Paeton have both begun their Bible College programs in B.C. and Chris, Julene, and Makenna are back in Indonesia.

Thank you for praying for us in this new season, as Paeton adjusts to life in Canada, as Tehya does youthwork, for God's grace as we are across the ocean, for Makenna in high school, and for Chris and Julene as we are back at work.

Andrew & Karlee
Himalayas

Andrew and I are looking forward to welcoming our little boy this month! There are a few issues that we pray resolve soon so that I can deliver naturally. The medical system here is about 10-20 years behind. Some of the procedures they use are quite outdated but we have been connected to a great local Doctor that is willing to work with us. Our main base is now closed and our community is transitioning to a new city within the next month. Andrew and I will stay behind for just over a month after baby arrives and then move over.

Thank you for your prayers for baby's upcoming arrival!

Warren & Dorothy Janzen

SEND Int'l - Abbotsford
wjanzen@send.org

This month begins with a 5 day missions conference at a supporting church in Ohio. I'll be speaking 5 times. Please pray that I would be a vehicle of God's word and encouragement to these believers as they focus on global missions among the unreached. SEND is slowly placing more workers back into Ukraine. Please pray for their safety as they come alongside churches and believers who continue to live under much pressure. Continue to pray for an end to this conflict. Thanks so much for your prayers for Dorothy and me as we do a lot of traveling this fall.

TeachBeyond - Ukraine

We returned at the end of August from a vacation. Admittedly, it was nice to be outside of Ukraine for a week and a half. It was strange not to hear air raid sirens or helicopters transporting wounded soldiers or rushing ambulances. Not hearing these things, however, did not mean forgetting about them. The absence of these sounds was so noticeable that our thoughts were drawn to Ukraine nonetheless. We have been blessed with visitors this summer. First, my cousin Danny came and spent five days with us. Then our friend and former co-missionary Beth came with her family for two days. And finally our friend Tanya, who with her family moved to Canada approximately twenty years ago, came back here to visit her mom.

Mike & Karen Woodard
Power To Change - Langley
mike@familylifecanada.com

In the spring of last year, we sensed that God had a new chapter for us. The eleven years with FL have been a huge blessing. We love the team and ministry. The only reason for the move is God's direction. In the past year, the leadership of Power to Change, has seen the need to become re-focused on being intentional with staff care. I accepted the invitation to this new role for many reasons. Compassion ranks high in my heart. I love the staff and desire that P2C would be a greenhouse for growing strong and healthy kingdom leaders. Also, Karen and I can engage in this role together. Her strengths also fit nicely with the role description and needs. I will be full time and she will be working with me one day a week. Thank you for your partnership with us! Please pray for wisdom to engage in this new assignment!

P2C Films - Langley

It is now very real for us that we have less than a month at our current studio, in October we will need to break it apart for our eventual transition to the new location. Pray that we can be efficient at the task at hand but also we don't want our output to suffer as well. Pray for creativity and resources as we continue to work during the studio downtime.
