It was a tremendous year with the BC Lions Football Team. Chapels, studies and building relationships. On the night I wrote this update, we prepared and served food to those in need.

Praise God for 'Rim', a 16 year old boy in our orphanage, ALH, that is getting baptized next week! Pray for him as he is helping on the worship team and feels called to full time ministry. Praise God for a young woman who came to Christ with us a month ago, Mai, and pray for her to grow in her love for Christ and His Word. Recently we have had many calls and visits from government officials who are intrigued by who we are and what we do in our Foundation, and we have been able to give out over a dozen New Testaments to them. Pray for the Word of God to penetrate hearts and lead government workers to salvation. Please pray for Zion Church on Monkey Mountain, we recently had a young family move away from the area and they were gifted in evangelism and bringing the villagers to church.

DEC 3

Amanda Doerksen
SIM - Niger
Amanda.Doerksen@sim.org

Merry Christmas! This first semester is almost at a close and the cooler weather is a welcome reprieve as we enter the Christmas season. Please pray for the staff and students of Sahel to have good rest during the break. Please also pray for the staff and admin as we seek to make some teaching contingency plans. Some teachers who were supposed to be arriving to help alleviate the strain of this year have either had to delay their arrival or cancel their arrival completely. We know that God has a plan for our school and for this school year specifically, pray that we continue to trust Him and to rely on his guidance.

With international travel restrictions lifted, we hope to begin sending short-term teams to host evangelistic English-learning camps next summer as we've done in the past. Please pray for men and women to be willing to go for the sake of the Gospel. Pray for Catherine Buschhaus, the director of our new boat-based ministry along the coast. Ask God to bring seven team members alongside her. This includes two marine mechanics and someone who can skipper a 52-foot vessel. Pray for Alaadeen, our Syrian-born coworker who came to Abbotsford on refugee status in July. Culture shock proved too great for him, and he has returned to his ministry in Beirut. Pray for God to help him transition back successfully.

ESL classes are going well and we have new students each month. Please pray for all the students that during chapel time, their hearts and ears will be open to hearing the Gospel and receiving Jesus as their personal Saviour. Please pray as well for Christmas events and that we will be able to celebrate this year together as the past few years have been limited due to Covid. Thank you for praying for me as well. After a bout of bronchitis in October, pray that I will remain healthy in the months ahead. Pray too for Rikako (a former Toyota student) whose husband is now in the hospital in the final stages of cancer. Pray for a miracle for him and pray for peace for the family as they walk on this journey. I want to wish all of you and your families a very blessed Christmas season. May your homes and hearts be filled with joy and peace.

The last weeks I've had the privilege of traveling internationally. Being able to talk with people in their context of life and ministry is a huge joy for me. Interestingly, the invitation to travel came because of quality conversations that took place online during Covid. How thankful I am for the fruit God gave in one context so that another door could be opened. Thank you for your prayers!

Renting an apartment right across the hall from us is a young mom and her three children. They are rarely seen and generally avoid eye contact. They're not refugees but there was a rumor going around even before the war began that this young lady's husband had passed away. After the war started, two other young moms – presumably refugees – with their children lived in that tiny apartment as well. The other two moms and their children have since moved out, and we don't see them anymore. Our prayer is that God's love would melt through any trauma or oppression or hardship these families might be experiencing. God knows their needs and He loves them. People are praying for us and for Ukraine. As a result, our strength is renewed daily.

Art & Eleanore Klassen
Pioneers - Abbotsford

We are excited about our family members who are heading out "into all the world" to share the Good News. One couple, our grandchildren, are going for language study this coming year with a mission; another grandson is off to Uganda for a nine month assignment, and another couple, a granddaughter and her husband are in language study in Thailand. It is so exciting to see the second generation after us obeying the Lord's command to go out into all the world to share the Good News with others. Art continues to send out weekly devotions to about sixty people, and we love to share Jesus with people in our complex. God is continuing to give us good health and joy in the journey!

James & Carolanne Warkentin
P2C (Digital Strategies) - Langley
james.warkentin@p2c.com

Another year is drawing to a close and I'd like to take these few words to share some more personal thoughts and prayer requests. Our family has been slowly adjusting to our new life since moving up to Quesnel at the end of August. We love it here so far, especially the slower pace and quieter neighborhood. Winter hit early though and we have been scrambling to find good cold-weather gear for each of us. Carolanne does an amazing job finding good deals on gently used supplies. Pray that God would help us make good connections in our neighborhood and church. Pray also for the kids as they are having some difficulty stepping out and making friends. And continue to pray for our fundraising efforts. To learn more about our family and this ministry visit our website at: jamesandcarolanne.com

Students have been applying for the next HADIME training at MTC which starts in January so your prayers would be appreciated for God's Spirit to draw those He has called to come for more discipleship and ministry training. There are usually many obstacles that students have to overcome (visas, finances, leaving traditions and families, etc), so pray for boldness and obedience for those that should come.

Richard & Becky Szmutko
P2C Films - Langley
richard.szmutko@p2c.com

As our studio is now out of commission while we wait for our new location to be finished, we are finding ourselves adapting to projects that take place out of the studio. Recently we were in Calgary filming for the Leader Impact ministry. A highlight for me was filming an early morning study time among young business leaders who have a sincere desire to influence their spheres with their faith in Christ. Knowing that these business leaders connect at least once a week was a great encouragement for me, once again showing me that the gospel is for everyone and that each of us has a role to play.
